

KEN PAXTON
ATTORNEY GENERAL OF TEXAS

April 19, 2022

Mr. James R. Guthrie
Sheriff
Edwards County
P.O. Box 156
Rocksprings, Texas 78880

OR2022-11353

Dear Mr. Guthrie:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 943594.

The Edwards County Sheriff's Office (the "sheriff's office") received two requests from the same requestor for information related to two specified investigations. You claim the submitted information is excepted from disclosure under section 552.108 of the Government Code. You also state you notified the Office of the Attorney General (the "OAG") and the Texas Department of Public Safety of the request for information and of the right to submit arguments to this office as to why the submitted information should not be released. *See* Gov't Code § 552.304 (interested party may submit comments stating why information should or should not be released). We have received comments from the OAG. We have considered the submitted arguments and reviewed the submitted representative sample of information.¹

Section 552.108(a)(1) of the Government Code excepts from disclosure "[i]nformation held by a law enforcement agency or prosecutor that deals with the detection, investigation, or prosecution of crime . . . if . . . release of the information would interfere with the detection, investigation, or prosecution of crime[.]" *Id.* § 552.108(a)(1). A governmental body

¹ We assume the "representative sample" of records submitted to this office is truly representative of the requested records as a whole. *See* Open Records Decision Nos. 499 (1988), 497 (1988). This open records letter does not reach, and therefore does not authorize the withholding of, any other requested records to the extent those records contain substantially different types of information than that submitted to this office.

claiming section 552.108(a)(1) must explain how and why the release of the requested information would interfere with law enforcement. *See id.* §§ 552.108(a)(1), .301(e)(1)(A); *see also Ex parte Pruitt*, 551 S.W.2d 706 (Tex. 1977). Section 552.108 may be invoked by the proper custodian of information relating to a pending investigation or prosecution of criminal conduct. *See Open Records Decision No. 474* at 4-5 (1987). Where a governmental body has custody of information relating to a pending case of a law enforcement agency, the custodian of the records may withhold the information if it provides this office with a demonstration that the information relates to the pending case and a representation from the law enforcement agency that it wishes to have the information withheld. The OAG states the submitted information relates to an active criminal investigation by the OAG's Criminal Prosecutions Division. Based upon this representation and our review, we find release of the information at issue would interfere with the detection, investigation, or prosecution of crime. *See Houston Chronicle Publ'g Co. v. City of Houston*, 531 S.W.2d 177 (Tex. Civ. App.—Houston [14th Dist.] 1975) (court delineates law enforcement interests that are present in active cases), *writ ref'd n.r.e. per curiam*, 536 S.W.2d 559 (Tex. 1976).

However, section 552.108 does not except from disclosure basic information about an arrested person, an arrest, or a crime. Gov't Code § 552.108(c). Basic information refers to the information held to be public in *Houston Chronicle*. *See* 531 S.W.2d at 186-88; *Open Records Decision No. 127* at 3-4 (1976) (summarizing types of information deemed public by *Houston Chronicle*). Thus, with the exception of basic information, which must be released, the sheriff's office may withhold the submitted information under section 552.108(a)(1) of the Government Code on behalf of the OAG.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. For more information concerning those rights and responsibilities, please visit our website at <https://www.texasattorneygeneral.gov/open-government/members-public/what-expect-after-ruling-issued> or call the OAG's Open Government Hotline, toll free, at (877) 673-6839. Questions concerning the allowable charges for providing public information under the Public Information Act may be directed to the Cost Rules Administrator of the OAG, toll free, at (888) 672-6787.

Sincerely,

Deborah Southerland
Assistant Attorney General
Open Records Division
