Dear Mr. Garcia:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 944241.

The Lubbock Independent School District (the "district"), which you represent, received a request for a specified bid tabulation. Although you take no position regarding whether the submitted information is excepted from disclosure, you state its release may implicate the proprietary interests of certain third parties.¹ Accordingly, you state, and provide documentation showing, you notified the third parties of the request and its right to submit arguments to this office. *See* Gov't Code § 552.305(d); *see also* Open Records Decision No. 542 (1990) (statutory predecessor to section 552.305 permits governmental body to rely on interested third party to raise and explain applicability of exception in the Act in certain circumstances). We have reviewed the submitted information.

An interested third party is allowed ten business days after the date of its receipt of the governmental body's notice to submit its reasons, if any, as to why info relating to that party should not be released. *See* Gov't Code § 552.305(d)(2)(B). As of the date of this ruling, we have not received comments from any of the third parties. Thus, we have no basis to conclude a third party has a protected proprietary interest in the submitted information. *See, e.g., id.* § 552.110 (requiring the provision of specific factual evidence

demonstrating the applicability of the exception). Accordingly, the district may not withhold any of the submitted information on the basis of any proprietary interest a third party may have in the information. As we have not received any arguments against the disclosure, the district must release the submitted information.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
