ATTORNEY GENERAL OF TEXAS

April 26, 2022

Mr. Matthew Boyle
Assistant City Attorney
City of Waco
P.O. Box 2570
Waco, Texas 76702-2570

OR2022-11935

Dear Mr. Boyle:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 943305 (ORR# LGL 22-013).

The City of Waco (the "city") received a request for specified public health information. You claim the submitted information is excepted from disclosure under section 552.101 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Section 552.101 of the Government Code excepts "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. Section 552.101 encompasses information made confidential by section 81.046 of the Health and Safety Code, which provides, in part:

- (a) Reports, records, and information received from any source, including from a federal agency or from another state, furnished to a public health district, a health authority, a local health department, or the [Texas Department of State Health Services] that relate to cases or suspected cases of diseases or health conditions are confidential and may be used only for the purposes of this chapter.
- (b) Reports, records, and information relating to cases or suspected cases of diseases or health conditions are not public information under [the Act], and may not be released or made public on subpoena or otherwise except as provided by Subsections (c), (c-1), (d), and (f).

Health & Safety Code § 81.046(a), (b). In Open Records Decision No. 577 (1990), this office concluded any information acquired or created during an investigation under chapter 81 of the Health and Safety Code is confidential and may not be released unless an exception in the statute applies. *See* ORD 577; Health & Safety Code § 81.046(b)-(d), (f). The city informs us the submitted information relates to suspected or confirmed cases of Legionnaires' disease; thus, section 81.046 governs the release of the information at issue. The city states none of the release provisions of section 81.046 are applicable. Accordingly, the city must withhold the submitted information under section 552.101 of the Government Code in conjunction with section 81.046(b) of the Health and Safety Code.¹

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.
