ATTORNEY GENERAL OF TEXAS

April 28, 2022

Ms. Sarah-Grace French
Counsel for the City of Coppell
Brown Fox
8111 Preston Road, Suite 300
Dallas, Texas 75225

OR2022-12077

Dear Ms. French:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 944390 [ORR W007039].

The Coppell Police Department (the "department"), which you represent, received a request for various policies and records pertaining to a specified traffic stop and employment information pertaining to a named police officer. You state you have released some information. You claim the submitted information is excepted from disclosure under sections 552.101, 552.102, 552.103, 552.108, and 552.111 of the Government Code. We have considered the exceptions you claim and reviewed the submitted information.

Initially, we note the submitted information includes an officer's Texas Commission on Law Enforcement ("TCOLE") identification number. Section 552.002(a) of the Government defines "public information" as the following:

[I]nformation that is written, produced, collected, assembled, or maintained under a law or ordinance or in connection with the transaction of official business:

(1) by a governmental body;

(2) for a governmental body and the governmental body:

(A) owns the information;

(B) has a right of access to the information; or

(C) spends or contributes public money for the purpose of writing, producing, collecting, assembling, or maintaining the information; or

(3) by an individual officer or employee of a governmental body in the officer's or employee's official capacity and the information pertains to official business of the governmental body.

Gov't Code § 552.002(a). In Open Records Decision No. 581 (1990), this office determined certain computer information, such as source codes, documentation information, and other computer programming, that has no significance other than its use as a tool for the maintenance, manipulation, or protection of public property is not the kind of information made public under section 552.021 of the Government Code. We understand the officer's TCOLE identification number is a unique computer-generated number assigned to a peace officer for identification in TCOLE's electronic database, and may be used as an access device number on the TCOLE website. Thus, we find the officer's TCOLE number does not constitute public information under section 552.002 of the Government Code. Therefore, the officer's TCOLE number is not subject to the Act and need not be released to the requestor.

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." *Id.* § 552.101. Section 552.101 encompasses section 1701.454 of the Occupations Code, which governs the public availability of information submitted to TCOLE under subchapter J of chapter 1701 of the Occupations Code. Section 1701.454 provides as follows:

(a) All information submitted to [TCOLE] under this subchapter is confidential and is not subject to disclosure under [the Act], unless the person resigned or was terminated due to substantiated incidents of excessive force or violations of the law other than traffic offenses.

(b) Except as provided by this subchapter, a [TCOLE] member or other person may not release information submitted under this subchapter.

Occ. Code § 1701.454. Upon review, we find you have failed to demonstrate the applicability of section 1701.454 to the information you marked and no portion of it may be withheld under section 552.101 of the Government Code on that basis.

Section 552.103 of the Government Code provides in relevant part as follows:

(a) Information is excepted from [required public disclosure] if it is information relating to litigation of a civil or criminal nature to which the state or a political subdivision is or may be a party or to which an officer or

employee of the state or a political subdivision, as a consequence of the person's office or employment, is or may be a party.

...

(c) Information relating to litigation involving a governmental body or an officer or employee of a governmental body is excepted from disclosure under Subsection (a) only if the litigation is pending or reasonably anticipated on the date that the requestor applies to the officer for public information for access to or duplication of the information.

Gov't Code § 552.103(a), (c). The governmental body has the burden of providing relevant facts and documents to show the section 552.103(a) exception is applicable in a particular situation. The test for meeting this burden is a showing that (1) litigation is pending or reasonably anticipated on the date the governmental body received the request for information and (2) the information at issue is related to that litigation. *Univ. of Tex. Law Sch. v. Tex. Legal Found.*, 958 S.W.2d 479, 481 (Tex. App.—Austin 1997, orig. proceeding); *Heard v. Houston Post Co.*, 684 S.W.2d 210, 212 (Tex. App.—Houston [1st Dist.] 1984, writ ref'd n.r.e.); Open Records Decision No. 551 at 4 (1990). The governmental body must meet both prongs of this test for information to be excepted from disclosure under section 552.103(a).

The department states and provides documentation showing a misdemeanor citation case was pending before the Coppel Municipal Court when the department received the request for information. We understand you to object to release of the information at issue as a representative of the City of Coppel's municipal prosecutor. We also find the department has established the submitted information is related to the pending litigation for purposes of section 552.103(a). Upon review, we agree litigation was pending when the department received the request, and the information is related to the pending litigation. Therefore, the department may withhold the information you marked under section 552.103(a) of the Government Code.¹

However, once the information has been obtained by all parties to the pending litigation, no section 552.103(a) interest exists with respect to that information. Open Records Decision No. 349 at 2 (1982). We also note the applicability of section 552.103(a) ends when the litigation has concluded. Attorney General Opinion MW-575 at 2 (1982); Open Records Decision Nos. 350 at 3 (1982), 349 at 2.

In summary, the officer's TCOLE number is not subject to the Act and need not be released to the requestor. The department may withhold the information marked under section 552.103 of the Government Code. The remaining information must be released.

¹ As our ruling for this information is dispositive, we need not address your remaining arguments against disclosure.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
