

KEN PAXTON
ATTORNEY GENERAL OF TEXAS

May 3, 2022

Mr. James M. Stanton
District Attorney
271st Judicial District for Jack and Wise Counties
101 North Trinity, Suite 200
Decatur, Texas 76234

OR2022-12518

Dear Mr. Stanton:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 945222.

The 271st Judicial District (the "district") received a request for a specified video recording and a specified letter. You state the district does not have information responsive to a portion of the request.¹ You claim the submitted information is excepted from disclosure under section 552.108 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Initially, we must address the district's obligations under the Act. Section 552.301 describes the procedural obligations placed on a governmental body that receives a written request for information it wishes to withhold. *See* Gov't Code § 552.301. Pursuant to section 552.301(e), a governmental body is required to submit to this office within fifteen business days of receiving an open records request (1) written comments stating the reasons why the claimed exceptions apply that would allow the information to be withheld, (2) a copy of the written request for information, (3) a signed statement or sufficient evidence showing the date the governmental body received the written request, and (4) a copy of the specific information requested or representative samples, labeled to indicate which exceptions apply to which parts of the documents. *See id.* § 552.301(e). The district received the request on February 10, 2022. We understand the district was closed on February 21, 2022. This office does not count the date the request was received or holidays

¹ The Act does not require a governmental body to release information that did not exist when a request for information was received or to prepare new information in response to a request. *See Econ. Opportunities Dev. Corp. v. Bustamante*, 562 S.W.2d 266, 267-68 (Tex. Civ. App.—San Antonio 1978, writ dismissed); Open Records Decision Nos. 605 at 2 (1992), 452 at 3 (1986), 362 at 2 (1983).

for the purpose of calculating a governmental body's deadlines under the Act. Thus, the district's fifteen-business-day deadline was March 4, 2022. However, the envelope in which you submitted the request for information bears a post meter mark of March 7, 2022. *See id.* § 552.308(a) (prescribing rules for calculating submission dates of documents sent via first class United States mail, common or contract carrier, or interagency mail). Consequently, we find the district failed to comply with section 552.301 of the Government Code.

Pursuant to section 552.302 of the Government Code, a governmental body's failure to comply with the procedural requirements of section 552.301 results in the legal presumption that the requested information is public and must be released unless there is a compelling reason to withhold the information from disclosure. *See id.* § 552.302; *Simmons v. Kuzmich*, 166 S.W.3d 342 (Tex. App.—Fort Worth 2005, no pet.); *Hancock v. State Bd. of Ins.*, 797 S.W.2d 379, 381-82 (Tex. App.—Austin 1990, no writ). The district claims section 552.108 of the Government Code for the submitted information. Upon review, we find you have failed to establish a compelling reason to address your exception. Thus, the district must release the submitted information.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
