

**KEN PAXTON**  
ATTORNEY GENERAL OF TEXAS

May 9, 2022

Mr. Cody L. Robinson  
Assistant City Attorney  
City of Irving  
825 West Irving Boulevard  
Irving, Texas 75060

OR2022-13130

Dear Mr. Robinson:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 944366 (Ref. No. PI-22-788).

The City of Irving (the "city") received a request for information pertaining to a specified solicitation.<sup>1</sup> You state you will release some information to the requestor. Although you take no position as to whether the submitted information is excepted under the Act, you state release of this information may implicate the proprietary interests of a third party. Accordingly, you state, and provide documentation showing, you notified Tyler Technologies, Inc. ("Tyler") of the request for information and of its right to submit arguments to this office as to why the submitted information should not be released. *See* Gov't Code § 552.305(d); *see also* Open Records Decision No. 542 (1990) (statutory predecessor to section 552.305 permits governmental body to rely on interested third party to raise and explain applicability of exception in the Act in certain circumstances). We have reviewed the submitted information.

---

<sup>1</sup> You state the city sought and received clarification of the information requested. *See* Gov't Code § 552.222 (providing if request for information is unclear, governmental body may ask requestor to clarify request); *see also* *City of Dallas v. Abbott*, 304 S.W.3d 380, 387 (Tex. 2010) (holding that when a governmental entity, acting in good faith, requests clarification or narrowing of an unclear or overbroad request for information, the ten-day period to request an attorney general ruling is measured from the date the request is clarified or narrowed).

We note an interested third party is allowed ten business days after the date of its receipt of the governmental body's notice under section 552.305(d) to submit its reasons, if any, as to why information relating to that party should be withheld from public disclosure. *See* Gov't Code § 552.305(d)(2)(B). As of the date of this letter, we have not received comments from Tyler explaining why its information should not be released. Therefore, we have no basis to conclude Tyler has a protected proprietary interest in the submitted information. *See, e.g., id.* § 552.110 (requiring the provision of specific factual evidence demonstrating the applicability of the exception). Accordingly, the city may not withhold any of the information at issue on the basis of any proprietary interest Tyler may have in it.

Section 552.136 of the Government Code provides, “[n]otwithstanding any other provision of [the Act], a credit card, debit card, charge card, or access device number that is collected, assembled, or maintained by or for a governmental body is confidential.”<sup>22</sup> *Id.* § 552.136(b); *see id.* § 552.136(a) (defining “access device”). This office has determined insurance policy numbers are access device numbers for purposes of section 552.136. *See* Open Records Decision No. 684 at 9 (2009). Accordingly, the city must withhold insurance policy numbers in the submitted information under section 552.136 of the Government Code.

We note some of the remaining materials may be protected by copyright. A custodian of public records must comply with the copyright law and is not required to furnish copies of records that are copyrighted. Open Records Decision No. 180 at 3 (1977). A governmental body must allow inspection of copyrighted materials unless an exception applies to the information. *Id.*; *see* Open Records Decision No. 109 (1975). If a member of the public wishes to make copies of copyrighted materials, the person must do so unassisted by the governmental body. In making copies, the member of the public assumes the duty of compliance with the copyright law and the risk of a copyright infringement suit.

In summary, the city must withhold insurance policy numbers under section 552.136 of the Government Code. The city must release the remaining information; however, any information that is subject to copyright may be released only in accordance with copyright law.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

---

<sup>22</sup> The Office of the Attorney General will raise a mandatory exception on behalf of a governmental body, but ordinarily will not raise other exceptions. *See* Open Records Decision Nos. 481 (1987), 480 (1987), 470 (1987).

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. For more information concerning those rights and responsibilities, please visit our website at <https://www.texasattorneygeneral.gov/open-government/members-public/what-expect-after-ruling-issued> or call the OAG's Open Government Hotline, toll free, at (877) 673-6839.
