Ms. Audra G. Welter  
Assistant General Counsel  
The University of Texas System

OR2022-13774

Dear Ms. Welter:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 947609 (OGC #204511).

The University of Texas Southwestern Medical Center (the "university") received a request for the university's most recent service agreement with Vivify Health ("Vivify").<sup>1</sup> Although you take no position as to whether the submitted information is excepted under the Act, you state release of the submitted information may implicate the proprietary interests of Vivify. Accordingly, you state, and provide documentation showing, you notified Vivify of the request for information and of the right to submit arguments to this office as to why the submitted information should not be released. *See* Gov't Code § 552.305(d); *see also* Open Records Decision No. 542 (1990) (statutory predecessor to section 552.305 permits governmental body to rely on interested third party to raise and explain applicability of exception in the Act in certain circumstances). We have reviewed the submitted information.

We note an interested third party is allowed ten business days after the date of its receipt of the governmental body's notice under section 552.305(d) to submit its reasons, if any, as to why information relating to that party should be withheld from public disclosure. *See* Gov't

---

<sup>1</sup> You state the university sought and received clarification of the information requested. *See* Gov't Code § 552.222 (providing if request for information is unclear, governmental body may ask requestor to clarify request); *see also* *City of Dallas v. Abbott*, 304 S.W.3d 380, 387 (Tex. 2010) (holding that when a governmental entity, acting in good faith, requests clarification or narrowing of an unclear or overbroad request for information, the ten-day period to request an attorney general ruling is measured from the date the request is clarified or narrowed).

Code § 552.305(d)(2)(B). As of the date of this letter, we have not received comments from Vivify explaining why the submitted information should not be released. Therefore, we have no basis to conclude Vivify has a protected proprietary interest in the submitted information. *See, e.g., id.* § 552.110 (requiring the provision of specific factual evidence demonstrating the applicability of the exception). Accordingly, the university may not withhold the submitted information on the basis of any proprietary interest Vivify may have in the information. As no exceptions to disclosure have been raised, the university must release the submitted information.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. For more information concerning those rights and responsibilities, please visit our website at <https://www.texasattorneygeneral.gov/open-government/members-public/what-expect-after-ruling-issued> or call the OAG's Open Government Hotline, toll free, at (877) 673-6839.
