

KEN PAXTON
ATTORNEY GENERAL OF TEXAS

May 19, 2022

Mr. Robert R. Ray
Assistant City Attorney
City of Longview
P.O. Box 1952
Longview, Texas 75606

OR2022-14432

Dear Mr. Ray:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 948516 (ORR# 2022-270).

The City of Longview (the "city") received a request for a specified incident report. The city claims some of the submitted information is excepted from disclosure under sections 552.108 and 552.130 of the Government Code. We have considered the claimed exceptions and reviewed the submitted information.

The submitted information contains court-filed documents that are subject to section 552.022(a)(17) of the Government Code, which provides the following:

Without limiting the amount or kind of information that is public information under this chapter, the following categories of information are public information and not excepted from required disclosure unless made confidential under this chapter or other law:

...

(17) information that is also contained in a public court record[.]

Gov't Code § 552.022(a)(17). Section 552.108 is discretionary and does not make information confidential under the Act. *See* Open Records Decision No. 177 (1977) (governmental body may waive statutory predecessor to section 552.108); *see also* Open Records Decision No. 665 at 2 n.5 (2000) (discretionary exceptions generally). Therefore, the city may not withhold the information subject to section 552.022(a)(17), which we have marked, under section 552.108. However, section 552.130 of the Government Code makes information confidential under the Act. Accordingly, we will consider the applicability of section 552.130 to the information at issue.

Section 552.130 of the Government Code provides information relating to a motor vehicle operator's license, driver's license, motor vehicle title or registration, or personal identification document issued by an agency of this state or another state or country is excepted from public release. *See* Gov't Code § 552.130. The city must withhold from the court-filed documents the submitted license plate number and issuing state under section 552.130 of the Government Code.

Section 552.108(a) of the Government Code excepts from disclosure “[i]nformation held by a law enforcement agency or prosecutor that deals with the detection, investigation, or prosecution of crime . . . if: (1) release of the information would interfere with the detection, investigation, or prosecution of crime[.]” Gov't Code § 552.108(a)(1). A governmental body claiming section 552.108(a)(1) must explain how and why the release of the information at issue would interfere with law enforcement. *See id.* §§ 552.108(a)(1), .301(e)(1)(A); *see also Ex parte Pruitt*, 551 S.W.2d 706, 710 (Tex. 1977). The city states the remaining information it has marked under section 552.108(a)(1) relates to a pending criminal investigation or prosecution. Based on this representation, we conclude the release of this information would interfere with the detection, investigation, or prosecution of crime. *See Houston Chronicle Publ'g Co. v. City of Houston*, 531 S.W.2d 177, 186-87 (Tex. Civ. App.—Houston [14th Dist.] 1975) (delineating law enforcement interests present in active cases), *writ ref'd n.r.e. per curiam*, 536 S.W.2d 559 (Tex. 1976). Thus, the city may withhold the remaining information it has marked under section 552.108(a)(1) of the Government Code.

In summary, with the exception of the submitted license plate number and issuing state, which the city must withhold under section 552.130 of the Government Code, the city must release the information we have marked under section 552.022(a)(17) of the Government Code. The city may withhold the remaining information it has marked under section 552.108(a)(1) of the Government Code. The city must release the remaining information.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.
