

**KEN PAXTON**  
ATTORNEY GENERAL OF TEXAS

May 19, 2022

Mr. Jason M. Rammel  
Counsel for the City of Bulverde  
Law Office of Jason M. Rammel P.C.  
17130 Highway 46 West, Suite 5  
Spring Branch, Texas 78070

OR2022-14463

Dear Mr. Rammel:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 948989.

The Green Valley Special Utility District (the "district"), which you represent, received a request for forty-two categories of information pertaining to a particular property. You state the district has no information responsive to portions of the request.<sup>1</sup> You claim the submitted information is excepted from disclosure under section 552.103 of the Government Code. We have considered the exception you claim and reviewed the submitted representative sample of information.<sup>2</sup>

Initially, we note some of the submitted information is subject to section 552.022 of the Government Code. Section 552.022(a) provides, in relevant part:

(a) [T]he following categories of information are public information and not excepted from required disclosure unless made confidential under this chapter or other law:

---

<sup>1</sup> The Act does not require a governmental body that receives a request for information to create information that did not exist when the request was received. *See Econ. Opportunities Dev. Corp. v. Bustamante*, 562 S.W.2d 266 (Tex. Civ. App.—San Antonio 1978, writ dismissed); Open Records Decision Nos. 605 at 2 (1992), 563 at 8 (1990), 555 at 1-2 (1990), 452 at 3 (1986), 362 at 2 (1983).

<sup>2</sup> We assume that the "representative sample" of records submitted to this office is truly representative of the requested records as a whole. *See* Open Records Decision Nos. 499 (1988), 497 (1988). This open records letter does not reach, and therefore does not authorize the withholding of, any other requested records to the extent that those records contain substantially different types of information than that submitted to this office.

(1) a completed report, audit, evaluation, or investigation made of, for, or by a governmental body, except as provided by Section 552.108; [and]

...

(3) information in an account, voucher, or contract relating to the receipt or expenditure of public or other funds by a governmental body[.]

Gov't Code § 552.022(a)(1), (3). The submitted information includes a completed report that is subject to section 552.022(a)(1). The district must release the completed report pursuant to section 552.022(a)(1) unless it is excepted from disclosure under section 552.108 of the Government Code or is made confidential under the Act or other law. *See id.* § 552.022(a)(1). The submitted information also contains information in an account, contract, or voucher relating to the receipt or expenditure of funds by the district that is subject to section 552.022(a)(3). This information must be released unless it is made confidential under the Act or other law. *See id.* § 552.022(a)(3). The district seeks to withhold the information subject to section 552.022 under section 552.103 of the Government Code. However, section 552.103 is discretionary in nature and does not make information confidential under the Act. *See Dallas Area Rapid Transit v. Dallas Morning News*, 4 S.W.3d 469, 475-76 (Tex. App.—Dallas 1999, no pet.) (governmental body may waive Gov't Code § 552.103); *see also* Open Records Decision Nos. 665 at 2 n.5 (2000) (discretionary exceptions generally), 663 at 5 (1999) (waiver of discretionary exceptions). Therefore, the district may not withhold the information subject to section 552.022, which we have marked, under section 552.103 of the Government Code. However, we will address your argument against disclosure for the remaining information.

Section 552.103 of the Government Code provides, in relevant part:

(a) Information is excepted from [required public disclosure] if it is information relating to litigation of a civil or criminal nature to which the state or a political subdivision is or may be a party or to which an officer or employee of the state or a political subdivision, as a consequence of the person's office or employment, is or may be a party.

...

(c) Information relating to litigation involving a governmental body or an officer or employee of a governmental body is excepted from disclosure under Subsection (a) only if the litigation is pending or reasonably anticipated on the date that the requestor applies to the officer for public information for access to or duplication of the information.

Gov't Code § 552.103(a), (c). The governmental body claiming section 552.103 has the burden of providing relevant facts and documents sufficient to establish the applicability of

section 552.103 to the information it seeks to withhold. To meet this burden, the governmental body must demonstrate: (1) litigation was pending or reasonably anticipated on the date of its receipt of the request for information, and (2) the information at issue is related to that litigation. *See Univ. of Tex. Law Sch. v. Tex. Legal Found.*, 958 S.W.2d 479 (Tex. App.—Austin 1997, orig. proceeding); *Heard v. Houston Post Co.*, 684 S.W.2d 210 (Tex. App.—Houston [1st Dist.] 1984, writ ref'd n.r.e.). Both elements of the test must be met in order for information to be excepted from disclosure under section 552.103. *See Open Records Decision No. 551 at 4 (1990).*

You state, and provide documentation showing, prior to its receipt of the instant request, the district filed an original petition for condemnation against the requestor's client in the 25th Judicial District of Guadalupe County. Therefore, we find litigation involving the district was pending on the date the district received the present request for information. In addition, you state the information at issue pertains to the substance of the lawsuit claims. Based on your representations and our review, we find section 552.103 is applicable to the remaining information. Therefore, we conclude the district may withhold the remaining information under section 552.103 of the Government Code.

Generally, however, once information has been obtained by all parties to the litigation through discovery or otherwise, no section 552.103(a) interest exists with respect to that information. *See Open Records Decision Nos. 349 (1982), 320 (1982).* Thus, information that has either been obtained from or provided to all parties to the pending litigation is not excepted from disclosure under section 552.103(a) and must be disclosed. Further, the applicability of section 552.103(a) ends once the litigation has concluded. *See Attorney General Opinion MW-575 (1982); see also Open Records Decision No. 350 (1982).*

We note some of the remaining information may be subject to copyright law. A custodian of public records must comply with the copyright law and is not required to furnish copies of records that are copyrighted. *Open Records Decision No. 180 at 3 (1977).* A governmental body must allow inspection of copyrighted materials unless an exception applies to the information. *Id.*; *see Open Records Decision No. 109 (1975).* If a member of the public wishes to make copies of copyrighted materials, the person must do so unassisted by the governmental body. In making copies, the member of the public assumes the duty of compliance with the copyright law and the risk of a copyright infringement suit.

In summary, the district may withhold the information not subject to section 552.022 of the Government Code under section 552.103 of the Government Code. The district must release the remaining information; however, any information protected by copyright may only be released in accordance with copyright law.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. For more information concerning those rights and responsibilities, please visit our website at <https://www.texasattorneygeneral.gov/open->
