ATTORNEY GENERAL OF TEXAS

May 19, 2022

Ms. Mary E. Miller  
Assistant District Attorney  
Denton County Sheriff's Office  
127 North Woodrow Lane, Suite 300  
Denton, Texas 76205

OR2022-14472

Dear Ms. Miller:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 948313 (PIR#s 7025 & 7144).

The Denton County Sheriff's Office (the "sheriff's office") received two requests from different requestors for information pertaining to a specified incident. You claim the submitted information is excepted from disclosure under sections 552.101, 552.108, and 552.130 of the Government Code. We have considered the exceptions you claim and reviewed the submitted information.

Initially, we note you have submitted a 9-1-1 call that does not pertain to the incident specified by the first requestor. Thus, the submitted 9-1-1, which we marked, does not consist of the information requested by the first requestor and is not responsive to the present request. This ruling does not address the public availability of any information that is not responsive to the request and the sheriff's office is not required to release that information in response to the request.

Section 552.101 of the Government Code excepts from public disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. This section encompasses information protected by section 261.201 of the Family Code, which provides, in part, as follows:

(a) [T]he following information is confidential, is not subject to public release under Chapter 552, Government Code, and may be disclosed only

for purposes consistent with this code and applicable federal or state law or under rules adopted by an investigating agency:

(1) a report of alleged or suspected abuse or neglect made under this chapter and the identity of the person making the report; and

(2) except as otherwise provided in this section, the files, reports, records, communications, audiotapes, videotapes, and working papers used or developed in an investigation under this chapter or in providing services as a result of an investigation.

Fam. Code § 261.201(a). The responsive information was used or developed in an investigation of alleged or suspected child abuse or neglect conducted by the sheriff's office. *See id.* §§ 101.003(a) (defining "child" for purposes of this section as person under 18 years of age who is not and has not been married or who has not had the disabilities of minority removed for general purposes), 261.001(1), (4) (defining "abuse" and "neglect" for purposes of chapter 261 of the Family Code). Accordingly, we find this information is subject to chapter 261 of the Family Code. The sheriff's office does not indicate it has adopted a rule that governs the release of this type of information and therefore we assume no such regulation exists. Given that assumption, we conclude the sheriff's office must withhold the responsive information under section 552.101 of the Government Code in conjunction with section 261.201 of the Family Code.<sup>1</sup> *See* Open Records Decision No. 440 at 2 (1986) (predecessor statute).

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. For more information concerning those rights and responsibilities, please visit our website at <https://www.texasattorneygeneral.gov/open-government/members-public/what-expect-after-ruling-issued> or call the OAG's Open Government Hotline, toll free, at (877) 673-6839. Sincerely,

Pearlie Gault  
Attorney

<sup>1</sup> As our ruling is dispositive, we need not address the remaining arguments against disclosure of the submitted information or the applicability of section 1701.661(a) of the Occupations Code to the submitted video recordings. *See generally* Occ. Code § 1701.661(a), (e).
