Dear Ms. Parker:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 949085 (Ref. No. R012017).

The Texas Department of Transportation (the "department") received a request for information pertaining to a specified project. You claim the submitted information is excepted from disclosure under section 552.105 of the Government Code. We have considered the exception you claim and reviewed the submitted representative sample of information.¹

Section 552.105(2) of the Government Code excepts from disclosure information relating to "appraisals or purchase price of real or personal property for a public purpose prior to the formal award of contracts for the property." *Id.* § 552.105(2). governmental body's planning and negotiating position with regard to particular transactions is a question of fact. Thus, this office will accept a governmental body's good-faith determination in this regard, unless the contrary is clearly shown as a matter of law. *See* ORD 564.

You state the department has made a good-faith determination the submitted information relates to the location of property the department intends to purchase for the specified project. You further state release of the information at issue that would affect the prices of parcels that have yet to be purchased and harm the department's negotiating position with respect to the acquisition of these properties. Based upon your representations and our review, we conclude the department may withhold the submitted information under section 552.105 of the Government Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
