OR2022-14690

Dear Ms. Whitten:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 949280 (COCS File No. A22-000545).

The College Station Police Department (the "department") received a request for information pertaining to three specified incidents. The department states it has released some information to the requestor. The department claims the submitted information is excepted from disclosure under section 552.108 of the Government Code. We have considered the exception the department claims and reviewed the submitted information.

Section 552.108(a)(1) of the Government Code excepts from disclosure "[i]nformation held by a law enforcement agency or prosecutor that deals with the detection, investigation, or prosecution of crime . . . if . . . release of the information would interfere with the detection, investigation, or prosecution of crime[.]" Gov't Code § 552.108(a)(1). A governmental body claiming section 552.108(a)(1) must explain how and why the release of the requested information would interfere with law enforcement. *See id.* §§ 552.108(a)(1), .301(e)(1)(A); *see also Ex parte Pruitt*, 551 S.W.2d 706 (Tex. 1977). The department states report number 22-001361 pertains to an active criminal investigation or prosecution. Based on this representation and our review, we conclude the release of the information at issue would interfere with the detection, investigation, or prosecution of crime. *See Houston Chronicle Publ'g Co. v. City of Houston*, 531 S.W.2d 177 (Tex. Civ. App.—Houston [14th Dist.] 1975) (court delineates law enforcement interests that are present in active cases), *writ ref'd n.r.e. per curiam*, 536 S.W.2d 559 (Tex. 1976). Thus, section 552.108(a)(1) is applicable to report number 22-001361.

Section 552.108(a)(2) of the Government Code excepts from disclosure information concerning an investigation that did not result in conviction or deferred adjudication. *See* Gov't Code § 552.108(a)(2). A governmental body claiming section 552.108(a)(2) must demonstrate the requested information relates to a criminal investigation that has concluded in a final result other than a conviction or deferred adjudication. *See id.* § 552.301(e)(1)(A) (governmental body must provide comments explaining why exceptions raised should apply to information requested). The department states report numbers 22-000454 and 22-001292 pertain to closed cases that did not result in convictions or deferred adjudications. Based on these representations and our review, we agree section 552.108(a)(2) is applicable to report numbers 22-000454 and 22-001292.

However, we note section 552.108 does not except from disclosure basic information about an arrested person, an arrest, or a crime. *Id.* § 552.108(c). Basic information refers to the information held to be public in *Houston Chronicle*. *See* 531 S.W.2d at 186-88; Open Records Decision No. 127 (1976) (summarizing types of information considered to be basic information). Thus, with the exception of the basic information, which the department states has been released, the department may withhold report number 22-001361 under section 552.108(a)(1) of the Government Code and report numbers 22-000454 and 22-001292 under section 552.108(a)(2) of the Government Code.<sup>1</sup>

Finally, the department asks us to issue a previous determination permitting it to withhold information subject to section 552.108(a)(1) of the Government Code without the necessity of requesting an attorney general opinion. We decline to issue such a previous determination at this time. Accordingly, this letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. For more information concerning those rights and responsibilities, please visit our website at <https://www.texasattorneygeneral.gov/open-government/members-public/what-expect-after-ruling-issued> or call the OAG's Open Government Hotline, toll free, at (877) 673-6839. Questions concerning the allowable charges for providing public information under the Public Information Act may be directed to the Cost Rules Administrator of the OAG, toll free, at (888) 672-6787.

Sincerely,

Gerald A. Arismendez  
Assistant Attorney General  
Open Records Division

<sup>1</sup> As we are able to make this determination, we do not address the applicability of section 1701.661(a) of the Occupations Code to the submitted video recordings. *See generally* Occ. Code § 1701.661(a), (e).
