

KEN PAXTON
ATTORNEY GENERAL OF TEXAS

May 23, 2022

Mr. Kevin Bailey
Assistant City Attorney
City of Midland
P.O. Box 1152
Midland, Texas 79701

OR2022-14730

Dear Mr. Bailey:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 949578 (Ref. Nos. M036490-030222, M036493-030222, M036538-030422, M036559-030822, M036642-031722, M036643-031722 & M036644-031722).

The City of Midland and the Midland Police Department (collectively, the "city") received seven requests from three different requestors for information pertaining to a specified incident. You state the city has released some of the requested information, including the police officer's crash report to the first and second requestors pursuant to section 550.065(c) of the Transportation Code. *See* Transp. Code § 550.065(c) (providing for release of accident report to person or entity listed under this subsection). You claim some of the submitted information was not properly requested pursuant to section 1701.661 of the Occupations Code. You also claim the submitted information is excepted from disclosure under sections 552.101 and 552.108 of the Government Code. We have considered the submitted arguments and reviewed the submitted information. We have also received and considered comments from the third requestor. *See* Gov't Code § 552.304 (interested party may submit comments stating why information should or should not be released).

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." *Id.* § 552.101. Section 552.101 encompasses information subject to chapter 550 of the Transportation Code. Section 550.065 applies only to a written report of an accident required under section 550.061, 550.062, or 601.004. *See* Transp. Code § 550.065(a)(1). Chapter 550 requires the creation of a written report when the accident resulted in injury to

or the death of a person or damage to the property of any person to the apparent extent of \$1,000 or more. *Id.* §§ 550.061 (operator's accident report), .062 (officer's accident report). An accident report is privileged and for the confidential use of the Texas Department of Transportation or a local governmental agency of Texas that has use for the information for accident prevention purposes. *Id.* § 550.065(b). However, a governmental entity shall release an accident report in accordance with subsections (c) and (c-1). *Id.* § 550.065(c), (c-1). Section 550.065(c) provides a governmental entity shall release an accident report to a person or entity listed under this subsection. *Id.* § 550.065(c).

In this instance, the third requestor is not a person listed under section 550.065(c). Thus, the submitted accident report is confidential under section 550.065(b), and the city must withhold it under section 552.101 of the Government Code. However, section 550.065(c-1) requires the city to create a redacted accident report that may be requested by any person. *Id.* § 550.065(c-1). The redacted accident report may not include the information listed in subsection (f)(2). *Id.* Therefore, the third requestor has a right of access to the redacted accident report. Accordingly, the city must release the redacted accident report to the third requestor pursuant to section 550.065(c-1) of the Transportation Code.

Section 552.108(a)(2) of the Government Code excepts from disclosure information concerning an investigation that did not result in conviction or deferred adjudication. *See* Gov't Code § 552.108(a)(2). A governmental body claiming section 552.108(a)(2) must demonstrate the requested information relates to a criminal investigation that has concluded in a final result other than a conviction or deferred adjudication. *See id.* § 552.301(e)(1)(A) (governmental body must provide comments explaining why exceptions raised should apply to information requested). You state the information at issue relates to a closed criminal investigation that did not result in conviction or deferred adjudication. Based on this representation and our review, we agree section 552.108(a)(2) is applicable to the information at issue.

However, section 552.108 does not except from disclosure basic information about an arrested person, an arrest, or a crime. *Id.* § 552.108(c). Basic information refers to the information held to be public in *Houston Chronicle Publishing Co. v. City of Houston*, 531 S.W.2d 177 (Tex. Civ. App.—Houston [14th Dist.] 1975), *writ ref'd n.r.e. per curiam*, 536 S.W.2d 559 (Tex. 1976). *See also* Open Records Decision No. 127 (1976) (summarizing types of information considered to be basic information). Thus, with the exception of basic information, the city may withhold the remaining information under section 552.108(a)(2) of the Government Code.¹

In summary, the city must withhold the submitted accident report under section 552.101 of the Government Code in conjunction with section 550.065(b) of the Transportation Code but must release the redacted accident report to the third requestor pursuant to section 550.065(c-1) of the Transportation Code. With the exception of basic information, which must be released, the city may withhold the remaining information under section 552.108(a)(2) of the Government Code.

¹ As we are able to make this determination, we do not address the applicability of section 1701.661(a) of the Occupations Code to the submitted video recordings. *See generally* Occ. Code § 1701.661(a), (e).

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
