

KEN PAXTON
ATTORNEY GENERAL OF TEXAS

May 23, 2022

Mr. James Kopp
Assistant City Attorney
City of San Antonio
P.O. Box 839966
San Antonio, Texas 78283-3966

OR2022-14745

Dear Mr. Kopp:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 949416 (Reference No. W432933).

The City of San Antonio (the "city") received a request for information pertaining to a specified incident. You claim the submitted information is excepted from disclosure under section 552.108 of the Government Code. We have considered the exception you claim and reviewed the submitted representative sample of information.¹

Initially, we note the submitted information contains a CR-3 accident report that is subject to chapter 550 of the Transportation Code. Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision."² Gov't Code § 552.101. Section 552.101 encompasses information subject to chapter 550 of the Transportation Code. Section 550.065 applies only to a written report of an accident required under section 550.061, 550.062, or 601.004. Transp. Code § 550.065(a)(1). Chapter 550 requires the creation of a written report when the accident resulted in injury to or the death of a person or damage

¹ We assume the "representative sample" of records submitted to this office is truly representative of the requested records as a whole. *See* Open Records Decision Nos. 499 (1988), 497 (1988). This open records letter does not reach, and therefore does not authorize the withholding of, any other requested records to the extent those records contain substantially different types of information than that submitted to this office.

² The Office of the Attorney General will raise mandatory exceptions on behalf of a governmental body, but ordinarily will not raise other exceptions. *See* Open Records Decision Nos. 481 (1987), 480 (1987), 470 (1987).

to the property of any person to the apparent extent of \$1,000 or more. *Id.* §§ 550.061 (operator's accident report), .062 (officer's accident report). An accident report is privileged and for the confidential use of the Texas Department of Transportation or a local government agency of Texas that has use for the information for accident prevention purposes. *Id.* § 550.065(b). However, a governmental entity shall release information subject to section 550.065 in accordance with subsections (c) and (c-1). *Id.* § 550.065(c), (c-1). Section 550.065(c) provides a governmental entity shall release an accident report to a person or entity listed under this subsection. *Id.* § 550.065(c).

In this instance, the requestor is a person listed under section 550.065(c). Although you assert section 552.108 of the Government Code for this information, a statutory right of access prevails over the Act's general exceptions to public disclosure. *See, e.g.*, Open Records Decision Nos. 613 at 4 (1993) (exceptions in Act cannot impinge on statutory right of access to information), 451 (1986) (specific statutory right of access provisions overcome general exception to disclosure under the Act). Because this section is a general exception under the Act, the requestor's statutory access under section 550.065(c) prevails and the department may not withhold the information at issue under section 552.108 of the Government Code. Accordingly, the city must release the CR-3 accident report to this requestor pursuant to section 550.065(c) of the Transportation Code.

Section 552.108(a)(1) of the Government Code excepts from disclosure "[i]nformation held by a law enforcement agency or prosecutor that deals with the detection, investigation, or prosecution of crime . . . if . . . release of the information would interfere with the detection, investigation, or prosecution of crime[.]" Gov't Code § 552.108(a)(1). A governmental body claiming section 552.108(a)(1) must explain how and why the release of the requested information would interfere with law enforcement. *See id.* §§ 552.108(a)(1), .301(e)(1)(A); *see also Ex parte Pruitt*, 551 S.W.2d 706 (Tex. 1977). The city states the remaining information pertains to a pending criminal investigation or prosecution. We note, however, the information at issue includes a DIC-24 Statutory Warning and a DIC-25 Notice of Suspension. The DIC-24 Statutory Warning and DIC-25 Notice of Suspension have previously been provided to the arrestee. Because this information has previously been released to the arrestee, we find the city has not shown release of the documents will interfere with the detection, investigation, or prosecution of crime. *See Gov't Code* § 552.108(a)(1). Nevertheless, upon review, we conclude the release of the remaining information at issue would interfere with the detection, investigation, or prosecution of crime. *See Houston Chronicle Publ'g Co. v. City of Houston*, 531 S.W.2d 177 (Tex. Civ. App.—Houston [14th Dist.] 1975) (court delineates law enforcement interests that are present in active cases), *writ ref'd n.r.e. per curiam*, 536 S.W.2d 559 (Tex. 1976). Thus, section 552.108(a)(1) is applicable to the remaining information.

However, we note section 552.108 does not except from disclosure basic information about an arrested person, an arrest, or a crime. Gov't Code § 552.108(c). Basic information refers to the information held to be public in *Houston Chronicle*. *See* 531 S.W.2d at 186-88; Open Records Decision No. 127 (1976) (summarizing types of information considered to be basic information). Thus, with the exception of the DIC-24 Statutory Warning, the DIC-25 Notice of Suspension and basic information, which must be released, the city may withhold the remaining information under section 552.108(a)(1) of the Government Code.

Section 552.101 of the Government Code also encompasses the doctrine of common-law privacy. *Indus. Found. v. Tex. Indus. Accident Bd.*, 540 S.W.2d 668, 685 (Tex. 1976). Under the doctrine of the common-law privacy, an individual has a right to be free from the publicizing of private affairs in which the public has no legitimate concern. *Id.* at 682. The Third Court of Appeals has concluded public citizens' dates of birth are protected by common-law privacy pursuant to section 552.101. *See Paxton v. City of Dallas*, No. 03-13-00546-CV, 2015 WL 3394061, at *3 (Tex. App—Austin May 22, 2015, pet. denied) (mem. op.). Thus, the city must withhold the public citizen's date of birth we marked under section 552.101 of the Government Code in conjunction with common-law privacy.

Section 552.130 of the Government Code excepts from public disclosure information relating to a motor vehicle operator's license, driver's license, motor vehicle title or registration, or personal identification document issued by an agency of this state or another state or country. *See Gov't Code § 552.130*. Accordingly, the city must withhold the motor vehicle record information we marked under section 552.130 of the Government Code.

In summary, the city must release the CR-3 accident report to this requestor pursuant to section 550.065(c) of the Transportation Code. With the exception of the DIC-24 Statutory Warning, the DIC-25 Notice of Suspension, and basic information, which must be released, the city may withhold the remaining information under section 552.108(a)(1) of the Government Code. In releasing the DIC-24 Statutory Warning and the DIC-25 Notice of Suspension, the city must withhold the public citizen's date of birth we marked under section 552.101 of the Government Code in conjunction with common-law privacy and the motor vehicle record information we marked under section 552.130 of the Government Code.
