Dear Ms. Hickman:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 949299 (ORR# 2022002379).

The Beaumont Police Department (the "department") received a request for information pertaining to a specified incident involving the requestor's client. You state you will release some information. You claim some of the submitted information was not properly requested pursuant to section 1701.661 of the Occupations Code. You also claim the submitted information is excepted from disclosure under sections 552.101 and 552.130 of the Government Code. We have considered the submitted arguments and reviewed the submitted information.

Section 552.130 of the Government Code excepts from disclosure information relating to a motor vehicle operator's license, driver's license, motor vehicle title or registration, or personal identification document issued by an agency of this state or another state or country is excepted from public release. *See* Gov't Code § 552.130. The department asserts, and we agree, the submitted video recordings contain confidential motor vehicle record information that is excepted from disclosure under section 552.130. In this instance, the department states it does not possess the technological capability to redact information from video files. Thus, we agree the department must withhold the entireties of the

submitted video recordings under section 552.130 of the Government Code.¹ *See* Open Records Decision No. 364 (1983).
