OR2022-14948

Dear Ms. Lutton:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 946574 (ORR# S004086-021622 & S004621-032522).

The Dallas County Sheriff's Office (the "sheriff's office") received two requests from the same requestor for information pertaining to the Dallas County Jail during a defined period of time. You claim the submitted information is excepted from disclosure under sections 552.103 and 552.107 of the Government Code. We have considered the exceptions you claim and reviewed the submitted information.

Section 552.103 of the Government Code provides, in relevant part:

(a) Information is excepted from [required public disclosure] if it is information relating to litigation of a civil or criminal nature to which the state or a political subdivision is or may be a party or to which an officer or employee of the state or a political subdivision, as a consequence of the person's office or employment, is or may be a party.

...

(c) Information relating to litigation involving a governmental body or an officer or employee of a governmental body is excepted from disclosure under Subsection (a) only if the litigation is pending or reasonably

anticipated on the date that the requestor applies to the officer for public information for access to or duplication of the information.

Gov't Code § 552.103(a), (c). The governmental body claiming section 552.103 has the burden of providing relevant facts and documents sufficient to establish the applicability of section 552.103 to the information it seeks to withhold. To meet this burden, the governmental body must demonstrate: (1) litigation was pending or reasonably anticipated on the date of its receipt of the request for information, and (2) the information at issue is related to that litigation. *See Univ. of Tex. Law Sch. v. Tex. Legal Found.*, 958 S.W.2d 479 (Tex. App.—Austin 1997, orig. proceeding); *Heard v. Houston Post Co.*, 684 S.W.2d 210 (Tex. App.—Houston [1st Dist.] 1984, writ ref'd n.r.e.). Both elements of the test must be met in order for information to be excepted from disclosure under section 552.103. *See Open Records Decision No. 551 at 4 (1990).*

The sheriff's office states, and provides documentation showing, prior to its receipt of the instant requests, a lawsuit styled *Sanchez v. Dallas County*, Cause No. 3:20-cv-00832, was filed and is currently pending against Dallas County in the United States District Court for the Northern District of Texas. Therefore, we agree litigation was pending on the date the sheriff's office received the present requests for information. The sheriff's office also states the information at issue pertains to the substance of the lawsuit claims. Based on these representations and our review, we find the information at issue is related to the pending litigation. Therefore, we conclude the sheriff's office may withhold the submitted information under section 552.103 of the Government Code.<sup>1</sup>

Generally, however, once information has been obtained by all parties to the litigation though discovery or otherwise, no section 552.103(a) interest exists with respect to that information. *See Open Records Decision Nos. 349 (1982), 320 (1982).* Thus, information that has either been obtained from or provided to all parties to the pending litigation is not excepted from disclosure under section 552.103(a) and must be disclosed. Further, the applicability of section 552.103(a) ends once the litigation has been concluded. *See Attorney General Opinion MW-575 (1982); see also Open Records Decision No. 350 (1982).*

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
