

KEN PAXTON
ATTORNEY GENERAL OF TEXAS

May 25, 2022

Mr. Kevin Bailey
Assistant City Attorney
City of Corpus Christi
P.O. Box 1152
Midland, Texas 79701

OR2022-15057

Dear Mr. Bailey:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 947089 (#M036371-021622).

The City of Midland (the "city") received a request for information pertaining to a specified incident. The city states it has released some of the requested information. You claim the submitted information is excepted from disclosure under section 552.101 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Section 552.101 of the Government Code excepts from public disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. This section encompasses information made confidential by other statutes. The submitted information includes recordings from police officers' body worn cameras. Section 1701.661(a) of the Occupations Code states the information a requestor must provide when seeking a body worn camera recording. *See* Occ. Code § 1701.661(a). We note the requestor provides the requisite information for the body worn camera recordings at issue. However, section 1701.661(f) provides, in relevant part:

A law enforcement agency may not release any portion . . . of a recording involving the investigation of conduct that constitutes a misdemeanor punishable by fine only and does not result in arrest, without written authorization from the person who is the subject of that portion of the recording or, if the person is deceased, from the person's authorized representative.

Id. § 1701.661(f). You state the recordings at issue pertain to the investigation of conduct that constitutes a misdemeanor punishable by fine only and which did not result in an arrest. You also state you have not received written authorization for release from all of the subjects of the recordings. *See id.* Accordingly, we find the city must withhold the submitted body worn camera recordings, which you submitted as Exhibit C, under section 552.101 of the Government Code in conjunction with section 1701.661(f) of the Occupations Code.

Section 552.101 of the Government Code excepts from disclosure “information considered to be confidential by law, either constitutional, statutory, or by judicial decision.” Gov’t Code § 552.101. Section 552.101 encompasses the doctrine of common-law privacy, which protects information that is (1) highly intimate or embarrassing, the publication of which would be highly objectionable to a reasonable person, and (2) not of legitimate concern to the public. *Indus. Found. v. Tex. Indus. Accident Bd.*, 540 S.W.2d 668, 685 (Tex. 1976). To demonstrate the applicability of common-law privacy, both prongs of this test must be satisfied. *Id.* at 681-82. Types of information considered intimate and embarrassing by the Texas Supreme Court are delineated in *Industrial Foundation*. *Id.* at 683. The Third Court of Appeals has concluded public citizens’ dates of birth are protected by common-law privacy pursuant to section 552.101. *See Paxton v. City of Dallas*, No. 03-13-00546-CV, 2015 WL 3394061, at *3 (Tex. App.—Austin May 22, 2015, pet. denied) (mem. op.).

Upon review, we find the city has failed to demonstrate the remaining information is highly intimate or embarrassing and not of legitimate public interest. Therefore, the city may not withhold any portion of the remaining information under section 552.101 in conjunction with common-law privacy.

Section 552.130 of the Government Code excepts from public disclosure information relating to a motor vehicle operator’s or driver’s license, motor vehicle title or registration, or personal identification document issued by an agency of this state or another state or country.¹ *See* Gov’t Code § 552.130. We note section 552.130 protects personal privacy. Accordingly, the requestor has a right of access to her client’s motor vehicle record information under section 552.023 of the Government Code and it may not be withheld from her under section 552.130. *See id.* § 552.023(a); ORD 481 at 4. Accordingly, with the exception of the information pertaining to the requestor’s client, the city must withhold all visible license plates and registration stickers, as well as any discernible audible motor vehicle record information, within Exhibit B under section 552.130 of the Government Code.

¹ The Office of the Attorney General will raise a mandatory exception on behalf of a governmental body, but ordinarily will not raise other exceptions. *See* Open Records Decision Nos. 481 (1987), 480 (1987), 470 (1987).

In summary, the city must withhold the submitted body worn camera recordings, which you submitted as Exhibit C, under section 552.101 of the Government Code in conjunction with section 1701.661(f) of the Occupations Code. With the exception of the information pertaining to the requestor's client, the city must withhold all visible license plates and registration stickers, as well as any discernible audible motor vehicle record information, within Exhibit B under section 552.130 of the Government Code. The city must release the remaining information.
