Mr. Jeremy Anato-Mensah
Assistant City Attorney
City of Fort Worth
200 Texas Street, 3rd Floor

OR2022-15193

Dear Mr. Anato-Mensah:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 950004 (ORR# E001820).

The City of Fort Worth (the "city") received a request for report number 220150737. The city indicates it will redact the originating telephone number of a 9-1-1 caller pursuant to the previous determination issued to the city in Open Records Letter No. 2011-15641 (2011).¹ The city claims some of the submitted information is excepted from disclosure under section 552.101 of the Government Code. We have considered the exception the city claims and reviewed the submitted information.

Section 552.101 of the Government Code excepts "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. Section 552.101 encompasses the doctrine of common-law privacy, which protects information that is (1) highly intimate or embarrassing, the publication of which would be highly objectionable to a reasonable person, and (2) not of legitimate concern to the public. *Indus. Found. v. Tex. Indus. Accident Bd.*, 540 S.W.2d 668, 685 (Tex. 1976). To demonstrate the applicability of common-law privacy, both prongs of this test must be

¹ Open Records Letter No. 2011-15641 is a previous determination issued to the city authorizing it to withhold, under section 552.101 of the Government Code in conjunction with section 772.218 of the Health and Safety Code, an originating telephone number of a 9-1-1 caller furnished to the city by a service supplier established in accordance with chapter 772 of the Health and Safety Code without the necessity of requesting an attorney general decision. *See* Open Records Decision No. 673 at 7-8 (2001) (listing elements of second type of previous determination under section 552.301(a) of the Government Code).

satisfied. *Id.* at 681-82. Types of information considered intimate and embarrassing by the Texas Supreme Court are delineated in *Industrial Foundation*. *Id.* at 683. Additionally, this office has concluded some kinds of medical information are generally highly intimate or embarrassing. *See* Open Records Decision No. 455 (1987). Upon review, we agree most of the information the city marked, as well as the additional information we marked, satisfies the standard articulated by the Texas Supreme Court in *Industrial Foundation*. However, we find the city has not demonstrated some of the information it marked is highly intimate or embarrassing and not of legitimate public concern. This information, which we have marked for release, may not be withheld under section 552.101 in conjunction with common-law privacy. Therefore, with the exception of the information we marked for release, the city must withhold the information it marked and the additional information we marked under section 552.101 of the Government Code in conjunction with common-law privacy. The city must release the remaining information.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.
