

**KEN PAXTON**  
ATTORNEY GENERAL OF TEXAS

May 26, 2022

Mr. William Overton  
Assistant General Counsel  
Texas Department of Criminal Justice  
P.O. Box 4004  
Huntsville, Texas 77342-4004

OR2022-15239

Dear Mr. Overton:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 950190 (PIA No. 0478-03-2022).

The Texas Department of Criminal Justice (the "department") received a request for information pertaining to a named inmate, including specified incidents during a defined period of time. You claim the submitted information is excepted from disclosure under section 552.134 of the Government Code. We have considered the exception you claim and reviewed the submitted representative sample of information.<sup>1</sup>

Section 552.134 of the Government Code relates to inmate of the department and provides, in relevant part, as follows:

(a) Except as provided by Subsection (b) or by Section 552.029 [of the Government Code], information obtained or maintained by the [department] is excepted from [required public disclosure] if it is information about an inmate who is confined in a facility operated by or under a contract with the department.

---

<sup>1</sup> We assume the "representative sample" of records submitted to this office is truly representative of the requested records as a whole. *See* Open Records Decision Nos. 499 (1988), 497 (1988). This open records letter does not reach, and therefore does not authorize the withholding of, any other requested records to the extent that those records contain substantially different types of information than that submitted to this office.

Gov't Code § 552.134(a). Section 552.029 of the Government Code provides, in part, as follows:

Notwithstanding Section . . . 552.134, the following information about an inmate who is confined in a facility operated by or under a contract with the [department] is subject to required disclosure under Section 552.021:

. . .

(8) basic information regarding the death of an inmate in custody, an incident involving the use of force, or an alleged crime involving the inmate.

*Id.* § 552.029(8). Thus, section 552.134 is explicitly made subject to section 552.029. You state the submitted information pertains to an inmate who is confined in a facility operated by the department. Upon review, we agree the submitted information is subject to section 552.134 of the Government Code. However, we note the submitted information pertains to alleged crimes involving the inmate. Thus, the department must release basic information from the information at issue pursuant to section 552.029. The basic information that must be released includes the time and place of the incident, the names of inmates and of department employees who were involved, a brief narrative of the incident, a brief description of any injuries sustained by anyone involved, and information regarding any criminal charges or disciplinary actions that were filed as a result of the incident. Accordingly, except for basic information under section 552.029(8) of the Government Code, which must be released, the department must withhold the submitted information under section 552.134 of the Government Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
