

KEN PAXTON
ATTORNEY GENERAL OF TEXAS

May 31, 2022

Ms. Jacqueline Villarreal
Assistant District Attorney
Hidalgo County
100 East Cano Street
Edinburg, Texas 78539

OR2022-15523

Dear Ms. Villarreal:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 950733 (County File No. 2022-0036-DA.SO).

The Hidalgo County Sheriff's Office (the "sheriff's office") received a request for information pertaining to a named employee. You state you will release some of the requested information. You inform us you have no information responsive to a portion of the request.¹ We understand you will withhold e-mail addresses of members of the public under section 552.137 of the Government Code pursuant to Open Records Decision No. 684 (2009).² You claim some of the submitted information is excepted from disclosure under sections 552.101, 552.117, and 552.136 of the Government Code. We have considered the exceptions you claim and reviewed the submitted information.

Initially, we note the submitted information contains a peace officer's Texas Commission on Law Enforcement ("TCOLE") identification number. Section 552.002(a) of the Government Code defines "public information" as information that is written, produced,

¹ The Act does not require a governmental body that receives a request for information to create information that did not exist when the request was received. *See Econ. Opportunities Dev. Corp. v. Bustamante*, 562 S.W.2d 266 (Tex. Civ. App.—San Antonio 1978, writ dismissed); Open Records Decision Nos. 605 at 2 (1992), 563 at 8 (1990), 555 at 1-2 (1990), 452 at 3 (1986), 362 at 2 (1983).

² Open Records Decision No. 684 (2009) is a previous determination to all governmental bodies authorizing them to withhold certain information, including an e-mail address of a member of the public under section 552.137 of the Government Code, without the necessity of requesting an attorney general decision.

collected, assembled, or maintained under a law or ordinance or in connection with the transaction of official business:

- (1) by a governmental body;
- (2) for a governmental body and the governmental body:
 - (A) owns the information;
 - (B) has a right of access to the information; or
 - (C) spends or contributes public money for the purpose of writing, producing, collecting, assembling, or maintaining the information;
or
- (3) by an individual officer or employee of a governmental body in the officer's or employee's official capacity and the information pertains to official business of the governmental body.

Gov't Code § 552.002(a). In Open Records Decision No. 581 (1990), this office determined certain computer information, such as source codes, documentation information, and other computer programming, that has no significance other than its use as a tool for the maintenance, manipulation, or protection of public property is not the kind of information made public under section 552.021 of the Government Code. We understand an officer's TCOLE identification number is a unique computer-generated number assigned to peace officers for identification in the commissioner's electronic database, and may be used as an access device number on the TCOLE website. Accordingly, we find the officer's TCOLE identification number in the submitted information does not constitute public information under section 552.002 of the Government Code. Therefore, the TCOLE identification number is not subject to the Act and need not be released to the requestor.

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. Section 552.101 encompasses section 1701.454 of the Occupations Code, which governs the public availability of information submitted to TCOLE under subchapter J of chapter 1701 of the Occupations Code. Section 1701.454 provides as follows:

- (a) All information submitted to the [TCOLE] under this subchapter is confidential and is not subject to disclosure under Chapter 552, Government Code, unless the person resigned or was terminated due to substantiated incidents of excessive force or violations of the law other than traffic offenses.
- (b) Except as provided by this subchapter, a [TCOLE] member or other person may not release information submitted under this subchapter.

Occ. Code § 1701.454. The submitted information includes information that was submitted to TCOLE pursuant to subchapter J of chapter 1701 of the Occupations Code. Furthermore, the information at issue does not indicate the named officer resigned or was terminated due to substantiated incidents of excessive force or violations of the law other than traffic offenses. Therefore, the sheriff's office must withhold the information we have marked under section 552.101 in conjunction with section 1701.454 of the Occupations Code.

Section 552.101 of the Government Code also encompasses the doctrine of common-law privacy. *Indus. Found. v. Tex. Indus. Accident Bd.*, 540 S.W.2d 668, 685 (Tex. 1976). Under the common-law right of privacy, an individual has a right to be free from the publicizing of private affairs in which the public has no legitimate concern. *Id.* at 682. The court of appeals has concluded public citizens' dates of birth are protected by common-law privacy pursuant to section 552.101. *Paxton v. City of Dallas*, No. 03-13-00546-CV, 2015 WL 3394061, at *3 (Tex. App.—Austin May 22, 2015, pet. denied) (mem. op.). Thus, the sheriff's office must withhold all public citizens' dates of birth under section 552.101 of the Government Code in conjunction with common-law privacy.

Section 552.117(a)(2) of the Government Code excepts from public disclosure the home address, home telephone number, emergency contact information, and social security number of a current or honorably retired peace officer, as well as information that reveals whether the current or honorably retired peace officer has family members, regardless of whether the current or honorably retired peace officer complies with sections 552.024 and 552.1175 of the Government Code. *See* Gov't Code § 552.117(a)(2); *see also id.* § 552.003(1-b) (defining "honorably retired" for purposes of the Act). Section 552.117(a)(2) applies to peace officers as defined by article 2.12 of the Code of Criminal Procedure. Accordingly, the sheriff's office must withhold the information we have marked under section 552.117(a)(2) of the Government Code.

Section 552.136 of the Government Code provides, "[n]otwithstanding any other provision of [the Act], a credit card, debit card, charge card, or access device number that is collected, assembled, or maintained by or for a governmental body is confidential." Gov't Code § 552.136(b); *see id.* § 552.136(a) (defining "access device"). You state the employee identification number in the remaining information is used to access sheriff's office benefits and payroll information. Therefore, we conclude the sheriff's office must withhold the employee identification number in the remaining information under section 552.136 of the Government Code.

In summary, the TCOLE identification number is not subject to the Act and need not be released to the requestor. The sheriff's office must withhold the information we have marked under section 552.101 in conjunction with section 1701.454 of the Occupations Code. The sheriff's office must withhold all public citizens' dates of birth under section 552.101 of the Government Code in conjunction with common-law privacy. The sheriff's office must withhold the information we have marked under section 552.117(a)(2) of the Government Code. The sheriff's office must withhold the employee identification number in the remaining information under section 552.136 of the Government Code. The sheriff's office must release the remaining information.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.
