Re: Request for video recordings pertaining to a specified arrest of a named individual  
(Ref. No. FM-PD150-22).

Dear Ms. Kreh:

The Office of the Attorney General has received your request for a ruling and assigned your request ID# 950640.

After reviewing your arguments and the submitted information, we have determined your request does not present a novel or complex issue. Thus, we are addressing your claims in a memorandum opinion. In this instance, the requestor does not give the requisite information under section 1701.661(a) of the Occupations Code. As the requestor did not properly request the body worn camera recordings at issue pursuant to chapter 1701, our ruling does not reach this information and the Town of Flower Mound (the "town") need not release it. You claim the information you indicated may be withheld from the requestor pursuant to section 552.108(a)(2) of the Government Code. Upon review of your arguments and the remaining information, we conclude the town may withhold the information you indicated under section 552.108(a)(2). The town must release the remaining information.<sup>1</sup>

---

<sup>1</sup> We note the requestor has a right of access to some of the information being released in this instance. *See* Crim. Proc. Code art. 2.1396. Thus, the town must again seek a decision from this office if it receives another request for the same information from another requestor.
