Dear Mr. Roots:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 950730 (ORR# 22OR-045).

The Comal County Sheriff's Office (the "sheriff's office") received a request for a specified incident report.<sup>1</sup> The sheriff's office claims the submitted information is excepted from disclosure under section 552.101 of the Government Code. We have considered the claimed exception and reviewed the submitted information.

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. Section 552.101 encompasses the doctrine of common-law privacy, which protects information that is (1) highly intimate or embarrassing, the publication of which would be highly objectionable to a reasonable person, and (2) not of legitimate concern to the public. *Indus. Found. v. Tex. Indus. Accident Bd.*, 540 S.W.2d 668, 685 (Tex. 1976). To demonstrate the applicability of common-law privacy, both prongs of this test must be satisfied. *Id.* at 681-82. Types of information considered intimate and embarrassing by the Texas Supreme Court are delineated in the *Industrial Foundation* decision. *Id.* at 683. Additionally, this office has concluded some kinds of medical information are generally

<sup>1</sup>The sheriff's office sought and received clarification of the information requested. See Gov't Code § 552.222 (if request for information is unclear, governmental body may ask requestor to clarify request); see also *City of Dallas v. Abbott*, 304 S.W.3d 380, 387 (Tex. 2010) (if governmental entity, acting in good faith, requests clarification of unclear or over-broad request, ten-day period to request attorney general ruling is measured from date request is clarified).

highly intimate or embarrassing. See Open Records Decision No. 455 (1987). The Third Court of Appeals has concluded public citizens' dates of birth are protected by common-law privacy pursuant to section 552.101. See *Paxton v. City of Dallas*, No. 03-13-00546-CV, 2015 WL 3394061, at \*3 (Tex. App.—Austin May 22, 2015, pet. denied) (mem. op.). The sheriff's office must withhold the submitted dates of birth under section 552.101 of the Government Code in conjunction with common-law privacy. We also find some of the remaining information, which we have marked, satisfies the standard articulated by the Texas Supreme Court in the *Industrial Foundation* decision. Accordingly, the sheriff's office must also withhold the information we have marked under section 552.101 of the Government Code in conjunction with common-law privacy. However, the remaining information is not confidential under common-law privacy, and the sheriff's office may not withhold it under section 552.101 on that ground. Therefore, the sheriff's office must release the remaining information.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. For more information concerning those rights and responsibilities, please visit our website at <https://www.texasattorneygeneral.gov/open-government/members-public/what-expect-after-ruling-issued> or call the OAG's Open Government Hotline, toll free, at (877) 673-6839. Questions concerning the allowable charges for providing public information under the Public Information Act may be directed to the Cost Rules Administrator of the OAG, toll free, at (888) 672-6787.

Sincerely,

James L. Coggeshall
