

KEN PAXTON
ATTORNEY GENERAL OF TEXAS

June 2, 2022

Mr. Robert Ray
Assistant City Attorney
City of Longview
P.O. Box 1952
Longview, Texas 76506

OR2022-15770

Dear Mr. Ray:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 951800 (ORR# PD-2022-421).

The Longview Police Department (the "department") received a request for all reports involving a named individual during a specified time period, including two specified incidents. The department claims the submitted information is excepted from disclosure under sections 552.101, 552.130, and 552.147 of the Government Code. We have considered the exceptions the department claims and reviewed the submitted information.

Initially, we note the department has not submitted information related to the incidents specified by the requestor. To the extent any such information existed on the date the department received the request, we assume the department has released it. If the department has not released any such information, it must do so at this time. *See* Gov't Code §§ 552.301(a), .302; *see also* Open Records Decision No. 664 (2000) (if governmental body concludes no exceptions apply to requested information, it must release information as soon as possible).

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. Section 552.101 encompasses section 58.008 of the Family Code, which provides, in part:

(b) Except as provided by Subsection (c), law enforcement records concerning a child and information concerning a child that are stored by

electronic means or otherwise and from which a record could be generated may not be disclosed to the public and shall be:

- (1) if maintained on paper or microfilm, kept separate from adult records;
- (2) if maintained electronically in the same computer system as adult records, accessible only under controls that are separate and distinct from the controls to access electronic data concerning adults; and
- (3) maintained on a local basis only and not sent to a central state or federal depository, except as provided by Subsection (c) or Subchapter B, D, or E.

Fam. Code § 58.008(b); *see also id.* § 51.03(a) (defining “delinquent conduct” for purposes of title 3 of Family Code). Section 58.008(b) is applicable to records of juvenile conduct that occurred before, on, or after September 1, 2017. *See* Act of May 28, 2017, 85th Leg., R.S., ch. 746, § 22. The juvenile must have been at least 10 years old and less than 17 years of age when the conduct occurred. *See* Fam. Code § 51.02(2) (defining “child” for purposes of title 3 of Family Code). The submitted reports involve a juvenile offender, so as to fall within the scope of section 58.008(b). It does not appear any of the exceptions in section 58.008 apply. Accordingly, the department must withhold the submitted information under section 552.101 of the Government Code in conjunction with section 58.008(b) of the Family Code.¹

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

Claire V. Morris Sloan

¹ As our ruling is dispositive, we need not address the remaining argument against disclosure of the submitted information.
