ATTORNEY GENERAL OF TEXAS

June 3, 2022

Mr. James Kopp  
Assistant City Attorney  
City of San Antonio  
315 South Santa Rosa, 6th Floor  
San Antonio, Texas 78207

OR2022-15933

Dear Mr. Kopp:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 951954 (File# W437203).

The City of San Antonio (the "city") received a request for a specified police report. You claim the submitted information is excepted from disclosure under sections 552.108 and 552.152 of the Government Code. We have considered the exceptions you claim and reviewed the submitted information.

Initially, you state the requestor only seeks basic information pursuant to section 552.108(c) of the Government Code. *See* Gov't Code § 552.108(c); *see also* Open Records Decision No. 127 (1976) (summarizing types of information considered to be basic information). We note basic information includes, among other items, the names of arresting and investigating officers, but does not include badge numbers. *See* ORD 127 at 3-4. Accordingly, only the basic information is responsive to the request. This ruling does not address the public availability of any information that is not responsive to the request and the city is not required to release such information in response to this request.

Section 552.152 of the Government Code provides the following:

Information in the custody of a governmental body that relates to an employee or officer of the governmental body is excepted from the requirements of Section 552.021 if, under the specific circumstances pertaining to the employee or officer, disclosure of the information would subject the employee or officer to a substantial threat of physical harm.

Gov't Code § 552.152. The city represents release of the names of undercover officers would subject the officers to a substantial threat of physical harm. Upon review, we find the city has demonstrated release of the information at issue would subject the officers to a substantial threat of physical harm. Therefore, the city must withhold the names of undercover officers under section 552.152 of the Government Code.<sup>1</sup> The city must release the remaining responsive information.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. For more information concerning those rights and responsibilities, please visit our website at <https://www.texasattorneygeneral.gov/open-government/members-public/what-expect-after-ruling-issued> or call the OAG's Open Government Hotline, toll free, at (877) 673-6839. Sincerely,
