ATTORNEY GENERAL OF TEXAS

Ms. Tessa K. Meredith
Counsel for the City of Collinsville
Messer Fort McDonald
6371 Preston Road, Suite 200

OR2022-16399

Dear Ms. Meredith:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 950494 (ORR ID: COL032122CM).

The City of Collinsville (the "city"), which you represent, received a request for information pertaining to particular grant applications and city policies. You state the city has released some information. You claim the submitted information is excepted from disclosure under section 552.104 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Section 552.104(a) of the Government Code excepts from disclosure information that a governmental body demonstrates, if released, would "harm its interests by providing an advantage to a competitor or bidder in a particular ongoing competitive situation or in a particular competitive situation where the governmental body establishes the situation at issue is set to reoccur or there is a specific and demonstrable intent to enter into the competitive situation again in the future." Gov't Code § 552.104(a). The "test under section 552.104 is whether knowing another bidder's [or competitor's information] would be an advantage, not whether it would be a decisive advantage." *Boeing Co. v. Paxton*, 466 S.W.3d 831, 841 (Tex. 2015). Based upon your representations and our review, we find you have failed to demonstrate the city has specific marketplace interests in the information at issue for purposes of section 552.104. Accordingly, the city may not withhold any of the submitted information under section 552.104(a) of the Government Code. As you raise no further exceptions to disclosure, the city must release the submitted information.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
