Lt. John M. Drake  
Livingston Police Department  
208 West Church Street  
Livingston, Texas 77351-3281

OR2022-16952

Dear Lt Drake:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 953099.

The Livingston Police Department (the "department") received a request for information pertaining to two specified incidents, including photographs. The department claims the requested information is excepted from disclosure under section 552.108 of the Government Code. We have considered the claimed exception.

We must address the procedural obligations of the department under section 552.301 of the Government Code regarding the requested information. Section 552.301 prescribes the procedures that a governmental body must follow in asking this office to decide whether requested information is excepted from public disclosure. Pursuant to section 552.301(e)(1)(D), a governmental body must submit to this office within fifteen business days of receiving an open records request a copy of the specific information requested or representative samples, labeled to indicate which exceptions apply to which parts of the documents. Gov't Code § 552.301(e)(1)(D). The department received the request for information on March 27, 2022. However, as of the date of this letter, the department has not submitted a copy or representative sample of the requested information. Therefore, the department failed to comply with the procedural requirements mandated by section 552.301(e).

Pursuant to section 552.302 of the Government Code, a governmental body's failure to comply with the procedural requirements of section 552.301 results in the legal presumption that the requested information is public and must be released unless there is a compelling reason to withhold the information from disclosure. *See id.* § 552.302;

*Simmons v. Kuzmich*, 166 S.W.3d 342, 350 (Tex. App.—Fort Worth 2005, no pet.); *Hancock v. State Bd. of Ins.*, 797 S.W.2d 379, 381 (Tex. App.—Austin 1990, no writ). Although the department raises an exception to disclosure, because it has not submitted the requested information for our review, we have no basis for finding any of the information excepted from disclosure. Thus, we have no choice but to order the requested information be released pursuant to section 552.302.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
