OR2022-17056

Dear Ms. Davis:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 953254 (ORR# 22-0226).

The City of McKinney (the "city"), which you represent, received a request for a specified incident report. The city claims the submitted information is excepted from disclosure under section 552.101 of the Government Code. We have considered the claimed exception and reviewed the submitted information.

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. This section encompasses the Medical Practice Act (the "MPA"), subtitle B of title 3 of the Occupations Code. *See* Occ. Code §§ 151.001-168.202. Section 159.002 of the MPA provides in relevant part the following:

- (a) A communication between a physician and a patient, relative to or in connection with any professional services as a physician to the patient, is confidential and privileged and may not be disclosed except as provided by this chapter.

- (b) A record of the identity, diagnosis, evaluation, or treatment of a patient by a physician that is created or maintained by a physician is confidential and privileged and may not be disclosed except as provided by this chapter.

(c) A person who receives information from a confidential communication or record as described by this chapter, other than a person listed in Section 159.004 who is acting on the patient's behalf, may not disclose the information except to the extent that disclosure is consistent with the authorized purposes for which the information was first obtained.

Id. § 159.002(a)-(c). Information subject to the MPA includes both medical records and information obtained from those records. *See id.* §§ 159.002, .004. This office has concluded the protection afforded by section 159.002 extends only to records created by either a physician or someone under the supervision of a physician. *See* Open Records Decision Nos. 487 at 3-4 (1988), 370 at 2 (1983), 343 at 1 (1982). Upon review, we find the city has not established any of the submitted information consists of records of the identity, diagnosis, evaluation, or treatment of a patient by a physician that are created or maintained by a physician. Thus, the submitted information is not confidential under the MPA, and the city may not withhold it under section 552.101 on that ground.

Section 552.101 of the Government Code also encompasses section 261.201(a) of the Family Code, which provides as follows:

[T]he following information is confidential, is not subject to public release under [the Act], and may be disclosed only for purposes consistent with this code and applicable federal or state law or under rules adopted by an investigating agency:

- (1) a report of alleged or suspected abuse or neglect made under this chapter and the identity of the person making the report; and
- (2) except as otherwise provided in this section, the files, reports, records, communications, audiotapes, videotapes, and working papers used or developed in an investigation under this chapter or in providing services as a result of an investigation.

Fam. Code § 261.201(a). Upon review, we find the submitted information is subject to chapter 261 of the Family Code. *See id.* §§ 101.003(a) (defining "child" for purposes of section 261.201), 261.001(1), (4) (defining "abuse" and "neglect" for purposes of section 261.201). Thus, this information is generally confidential under section 261.201(a) of the Family Code. However, we note the requestor is with the Texas Department of Family and Protective Services ("DFPS"). Section 261.105(a) of the Family Code provides, "[a]ll reports received by a local or state law enforcement agency that allege abuse or neglect by a person responsible for a child's care, custody, or welfare shall be referred immediately to [DFPS]." *See id.* § 261.105(a). The person suspected of child abuse or neglect in this report was responsible for the child victim's care, custody, or welfare. *See id.* § 261.001(5)(B) (person responsible for child's care, custody, or welfare includes a member of child's family or household as defined by Family Code chapter 71). Accordingly, section 261.105(a) is applicable and the confidentiality of section 261.201(a) does not apply. *See* Attorney General Opinion No. GA-0879 (2011) (law enforcement agency is required to furnish information about alleged child abuse or neglect by person

responsible for child's care, custody, or welfare to DFPS). Therefore, the city must release the submitted information pursuant to section 261.105(a) of the Family Code.¹
