

KEN PAXTON
ATTORNEY GENERAL OF TEXAS

June 15, 2022

Sheriff Ray Sappington
Cooke County Sheriff's Office
300 County Road 451
Gainesville, Texas 76240

OR2022-17298

Dear Sheriff Sappington:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 954106.

The Cooke County Sheriff's Office (the "sheriff's office") received a request for correspondences related to suspension, loss of pay or termination of sheriff's employees and a list of peace officers who ceased being employed in the past five years. You claim the requested information is excepted from disclosure under section 552.102 of the Government Code. We have considered the exception you claim.

We must address the sheriff's office's procedural obligations under section 552.301 of the Government Code when requesting a decision from this office under the Act. Pursuant to section 552.301(e), a governmental body must submit to this office within fifteen business days of receiving an open records request (1) written comments stating the reasons why the stated exceptions apply that would allow the information to be withheld, (2) a copy of the written request for information, (3) a signed statement or sufficient evidence showing the date the governmental body received the written request, and (4) a copy of the specific information requested or representative samples, labeled to indicate which exceptions apply to which parts of the documents. *See* Gov't Code § 552.301(e). The sheriff's office received the request for information on April 2, 2022. However, as of the date of this letter, the sheriff's office has not submitted for our review written comments stating the reasons why the stated exceptions apply or a copy or representative sample of the information requested. Consequently, we find the sheriff's office failed to comply with section 552.301 of the Government Code.

Pursuant to section 552.302 of the Government Code, a governmental body's failure to comply with the procedural requirements of section 552.301 results in the legal presumption that the requested information is public and must be released unless there is a compelling reason to withhold the information from disclosure. *See id.* § 552.302; *Simmons v. Kuzmich*, 166 S.W.3d 342, 350 (Tex. App.—Fort Worth 2005, no pet.); *Hancock v. State Bd. of Ins.*, 797 S.W.2d 379, 381 (Tex. App.—Austin 1990, no writ). Although the sheriff's office raises exceptions to disclosure, because you have not submitted the requested information for our review, we have no basis for finding any of the information excepted from disclosure. Thus, we have no choice but to order the requested information released pursuant to section 552.302.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
