ATTORNEY GENERAL OF TEXAS

June 16, 2022

Ms. Michele Freeland  
Office of the General Counsel  
Texas Department of Public Safety  
P.O. Box 4087  
Austin, Texas 78773-0001

OR2022-17377

Dear Ms. Freeland:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 954536 (Ref. No. 22-0888).

The Texas Department of Public Safety (the "department") received a request for the scoring sheet and winning proposal pertaining to a specified bid. Although the department takes no position as to whether the submitted information is excepted under the Act, the department states release of the submitted information may implicate the proprietary interests of Wagner Consulting, LLC ("Wagner"). Accordingly, the department states, and provides documentation showing, it notified Wagner of the request for information and of its right to submit arguments to this office as to why the submitted information should not be released. *See* Gov't Code § 552.305(d); *see also* Open Records Decision No. 542 (1990) (statutory predecessor to section 552.305 permits governmental body to rely on interested third party to raise and explain applicability of exception in the Act in certain circumstances). We have reviewed the submitted information.

Initially, we note the department has not submitted the requested scoring sheet. To the extent any information responsive to this portion of the request existed on the date the department received the request, we assume the department has released it. If the department has not released any such information, it must do so at this time. *See* Gov't Code §§ 552.301(a), .302; *see also* Open Records Decision No. 664 (2000) (if governmental body concludes no exceptions apply to requested information, it must release information as soon as possible).

An interested third party is allowed ten business days after the date of its receipt of the governmental body's notice under section 552.305(d) to submit its reasons, if any, as to why information relating to that party should be withheld from public disclosure. *See* Gov't Code § 552.305(d)(2)(B). As of the date of this letter, we have not received comments

from Wagner explaining why the submitted information should not be released. Therefore, we have no basis to conclude Wagner has a protected proprietary interest in the submitted information. *See, e.g., id.* § 552.110 (requiring the provision of specific factual evidence demonstrating the applicability of the exception). Accordingly, the department may not withhold the submitted information on the basis of any proprietary interest Wagner may have in the information.

Section 552.136 of the Government Code provides, “Notwithstanding any other provision of [the Act], a credit card, debit card, charge card, or access device number that is collected, assembled, or maintained by or for a governmental body is confidential.”<sup>1</sup> *Id.* § 552.136(b); *see id.* § 552.136(a) (defining “access device”). This office has determined insurance policy numbers are access device numbers for purposes of section 552.136. *See* Open Records Decision No. 684 at 9 (2009). Accordingly, the department must withhold the routing, bank account, and insurance policy numbers within the remaining information under section 552.136 of the Government Code. The department must release the remaining information.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
