

KEN PAXTON
ATTORNEY GENERAL OF TEXAS

June 21, 2022

Ms. Amanda Brown
Deputy City Attorney
City of Denton
215 East McKinney Street
Denton, Texas 76201

OR2022-17695

Dear Ms. Brown:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 954898 (PIR# C000475-040722).

The City of Denton (the "city") received a request for the top two proposals for RFQ# 7599. Although you take no position as to whether the submitted information is excepted under the Act, you state release of this information may implicate the proprietary interests of Half Associates, Inc. ("Half") and Kimley-Horn and Associates, Inc. Accordingly, you state, and provide documentation showing, you notified these third parties of the request for information and of their right to submit arguments to this office as to why the information at issue should not be released. *See* Gov't Code § 552.305(d); *see also* Open Records Decision No. 542 (1990) (statutory predecessor to section 552.305 permits governmental body to rely on interested third party to raise and explain applicability of exception in the Act in certain circumstances). We have received comments from Half. We have considered the submitted arguments and reviewed the submitted information.

An interested third party is allowed ten business days after the date of its receipt of the governmental body's notice under section 552.305(d) to submit its reasons, if any, as to why information relating to that party should be withheld from public disclosure. *See* Gov't Code § 552.305(d)(2)(B). As of the date of this letter, we have not received comments from any remaining third party explaining why the submitted information should not be released. Therefore, we have no basis to conclude any remaining third party has a protected

proprietary interest in the submitted information. *See, e.g., id.* § 552.110 (requiring the provision of specific factual evidence demonstrating the applicability of the exception). Accordingly, the city may not withhold the submitted information on the basis of any proprietary interest any remaining third party may have in the information.

Section 552.1101 of the Government Code provides, in relevant part:

(a) . . . [I]nformation submitted to a governmental body by a vendor, contractor, potential vendor, or potential contractor in response to a request for a bid, proposal, or qualification is excepted from the requirements of Section 552.021 if the vendor, contractor, potential vendor, or potential contractor that the information relates to demonstrates based on specific factual evidence that disclosure of the information would:

(1) reveal an individual approach to:

(A) work;

(B) organizational structure;

(C) staffing;

(D) internal operations;

(E) processes; or

(F) discounts, pricing methodology, pricing per kilowatt hour, cost data, or other pricing information that will be used in future solicitation or bid documents; and

(2) give advantage to a competitor.

Gov't Code § 552.1101(a). Halff asserts disclosure of its information would reveal an individual approach to work, organizational structure, staffing, internal operations, processes, or pricing methodology and give advantage to a competitor. Upon review, we find Halff has demonstrated the applicability of section 552.1101(a) to its information at issue. Accordingly, city must withhold the information we marked under section 552.1101 of the Government Code. The city must release the remaining information.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. For more information concerning those rights and responsibilities, please visit our website at <https://www.texasattorneygeneral.gov/open-government/members-public/what-expect-after-ruling-issued> or call the OAG's Open Government Hotline, toll free, at (877) 673-6839. Questions concerning the allowable charges for providing public information under the Public Information Act may be directed to the Cost Rules Administrator of the OAG, toll free, at (888) 672-6787.

Sincerely,

Kelly McWethy
Assistant Attorney General
Open Records Division
