

KEN PAXTON
ATTORNEY GENERAL OF TEXAS

June 23, 2022

Mr. Joe D. Gonzales
Criminal District Attorney
Bexar County
101 West Nueva Street
San Antonio, Texas 78205

OR2022-17926

Dear Mr. Gonzales:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 955230 (DA File No. 22-0319; ME 2022-0197).

The Bexar County Medical Examiner's Office (the "medical examiner's office") received a request for specified reports.¹ You state you have released some of the requested information. You claim the submitted information is excepted from disclosure under section 552.101 of the Government Code. We have considered the exception you claim and reviewed the submitted representative sample of information.²

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. Section 552.101 encompasses section 81.046 of the Health and Safety Code, which provides, in relevant part, as follows:

¹ You state the medical examiner's office sought and received clarification of the information requested. *See* Gov't Code § 552.222(b) (providing if request for information is unclear, governmental body may ask requestor to clarify request); *see also City of Dallas v. Abbott*, 304 S.W.3d 380, 387 (Tex. 2010) (holding that when a governmental entity, acting in good faith, requests clarification or narrowing of an unclear or overbroad request for information, ten-day period to request an attorney general ruling is measured from the date the request is clarified or narrowed).

² We assume the "representative sample" of records submitted to this office is truly representative of the requested records as a whole. *See* Open Records Decision Nos. 499 (1988), 497 (1988). This open records letter does not reach, and therefore does not authorize the withholding of, any other requested records to the extent those records contain substantially different types of information than that submitted to this office.

(a) Reports, records, and information received from any source, including from a federal agency or from another state, furnished to a public health district, a health authority, a local health department, or the [Texas Department of State Health Services] that relate to cases or suspected cases of diseases or health conditions are confidential and may be used only for the purposes of this chapter.

(b) Reports, records, and information relating to cases or suspected cases of diseases or health conditions are not public information under [the Act], and may not be released or made public on subpoena or otherwise except as provided by:

(1) Subsections (c), (c-1), (d), and (f); and

(2) Section 181.060.

Health & Safety Code § 81.046(a)-(b). In Open Records Decision No. 577 (1990), this office concluded any information acquired or created during an investigation under chapter 81 of the Health and Safety Code is confidential and may not be released unless an exception in the statute applies. *See id.* § 81.046(b)-(d), (f); ORD 577. You state the information at issue relates to the investigation of a case or suspected case of a contagious disease; thus, section 81.046 governs the release of the information at issue. You further state the release provisions of section 81.046 are not applicable. Accordingly, the medical examiner's office must withhold the information we marked under section 552.101 of the Government Code in conjunction with section 81.046(b) of the Health and Safety Code. However, we find you have failed to demonstrate the remaining information is made confidential pursuant to section 81.046, and the medical examiner's office may not withhold it under section 552.101 on that basis. The medical examiner's office must release the remaining information.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. For more information concerning those rights and responsibilities, please visit our website at <https://www.texasattorneygeneral.gov/open-government/members-public/what-expect-after-ruling-issued> or call the OAG's Open Government Hotline, toll free, at (877) 673-6839. Sincerely,

Nick Ybarra
