Dear Mr. Sylvia:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 955705.

The City of Daisetta (the "city"), which you represent, received a request for certain information pertaining to a specified city vehicle. You state you have released some information to the requestor. You claim some of the submitted information is excepted from disclosure under section 552.130 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Section 552.130 of the Government Code excepts from public disclosure information relating to a motor vehicle operator's license, driver's license, motor vehicle title or registration, or personal identification document issued by an agency of this state or another state or country. *See* Gov't Code § 552.130. Upon review, we find the submitted information contains motor vehicle record information subject to section 552.130. Accordingly, the city must withhold the motor vehicle record information we marked under section 552.130 of the Government Code. The city must release the remaining information.
