ATTORNEY GENERAL OF TEXAS

June 27, 2022

Mr. David Fulton  
Assistant Criminal District Attorney  
Randall County Criminal District Attorney's Office  
2309 Russell Long Boulevard, Suite 120  
Canyon, Texas 79015

OR2022-18372

Dear Mr. Fulton:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 955879.

The Randall County Sheriff's Office (the "sheriff's office") received seventeen requests for four categories of information pertaining to all arrests and releases during a certain period of time. You claim some of the submitted information is excepted from disclosure under section 552.101 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

You assert, and we agree, the submitted dates of birth are not responsive to the request for information because they do not consist of one of the four requested categories of information. This ruling does not address the public availability of any information that is not responsive to the request, and the sheriff's office is not required to release such information in response to this request.

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. Section 552.101 encompasses information made confidential by statutes, such as section 236.6 of title 8 of the Code of Federal Regulations,<sup>1</sup> which protects information regarding detainees held on behalf of the United States Department of Homeland Security ("DHS"). This section as follows:

No person, including any state or local government entity or any privately operated detention facility, that houses, maintains, provides

services to, or otherwise holds any detainee on behalf of the Service (whether by contract or otherwise), and no other person who by virtue of any official or contractual relationship with such person obtains information relating to any detainee, shall disclose or otherwise permit to be made public the name of, or other information relating to, such detainee. Such information shall be under the control of the Service and shall be subject to public disclosure only pursuant to the provisions of applicable federal laws, regulations and executive orders. Insofar as any documents or other records contain such information, such documents shall not be public records. This section applies to all persons and information identified or described in it, regardless of when such persons obtained such information, and applies to all requests for public disclosure of such information, including requests that are the subject of proceedings pending as of April 17, 2002.

8 C.F.R. § 236.6; *see also id.* § 1.2 (defining Service as “U.S. Citizenship and Immigration Services, U.S. Customs and Border Protection, and/or U.S. Immigration and Customs Enforcement, as appropriate in the context in which the term appears”). You state the information you marked pertains to detainees for purposes of section 236.6. We understand the sheriff’s office is required to abide by rules promulgated by DHS with regard to detainees. *See id.* § 2.1 (Secretary of Homeland Security may issue regulations to administer and enforce laws relating to immigration and naturalization of aliens); *see also ACLU of N.J., Inc. v. County of Hudson*, 799 A.2d 629 (N.J. 2002) (while state possesses sovereign authority over operation of its jails, it may not operate them, in respect to INS detainees, in any way that derogates federal government’s exclusive and expressed interest in regulating aliens). You do not provide our office with any applicable law, regulation, or executive order that provides the requestor with a right of access to the information at issue. We therefore conclude the information you marked is made confidential by section 236.6 of title 8 of the Code of Federal Regulations. Accordingly, the sheriff’s office must withhold the information you marked under section 552.101 of the Government Code in conjunction with section 1103(a)(3) of title 8 of the United States Code (providing the Secretary of Homeland Security shall establish regulations necessary to carry out laws relating to immigration and naturalization) and section 236.6 of title 8 of the Code of Federal Regulations. *See ACLU*, 799 A.2d at 655 (concluding because INS had authority to promulgate 8 C.F.R. § 236.6, provision preempts state law requiring disclosure of requested information); *see also English v. Gen. Elec. Co.*, 496 U.S. 72, 79 (1990) (noting state law is preempted to extent it actually conflicts with federal law); *La. Pub. Serv. Comm’n v. FCC*, 476 U.S. 355, 369 (1986) (noting federal agency acting within scope of its congressionally delegated authority may preempt state regulation).

Section 552.101 of the Government Code also encompasses information made confidential by section 261.201(a) of the Family Code, which provides, in relevant part:

- (a) [T]he following information is confidential, is not subject to public release under [the Act], and may be disclosed only for purposes consistent with this code and applicable federal or state law or under rules adopted by an investigating agency:

(1) a report of alleged or suspected abuse or neglect made under this chapter and the identity of the person making the report; and

(2) except as otherwise provided in this section, the files, reports, records, communications, audiotapes, videotapes, and working papers used or developed in an investigation under this chapter or in providing services as a result of an investigation.

Fam. Code § 261.201(a). You state the information you marked was used in an investigation of alleged child abuse or neglect under chapter 261 of the Family Code. *See id.* §§ 101.003(a) (defining “child” for purposes of section 261.201), 261.001(1), (4) (defining “abuse” and “neglect” for purposes of section 261.201 of Family Code). You do not indicate the sheriff’s office has adopted any rules that would permit the release of the responsive information. Accordingly, we find the information you marked is subject to chapter 261 of the Family Code. Therefore, we conclude the information at issue is confidential pursuant to section 261.201 of the Family Code and must be withheld under section 552.101 of the Government Code. *See* Open Records Decision No. 440 at 2 (1986) (predecessor statute).

In summary, the sheriff’s office must withhold the information you marked under section 552.101 of the Government Code in conjunction with section 1103(a)(3) of title 8 of the United States Code and section 236.6 of title 8 of the Code of Federal Regulations. The sheriff’s office must withhold the information you marked under section 552.101 of the Government Code in conjunction with section 261.201 of the Family Code. The sheriff’s office must release the remaining responsive information.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.
