ATTORNEY GENERAL OF TEXAS

June 28, 2022

Mr. Jacob Woolston  
Staff Attorney  
Round Rock Independent School District  
1 Chisholm Trail, Suite 400  
Round Rock, Texas 78681

OR2022-18504

Dear Mr. Woolston:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 955891 (TPIA 2022-487).

The Round Rock Independent School District (the "district") received a request for all communications involving named individuals during a specified timeframe pertaining to certain keywords.<sup>1</sup> You claim the submitted information is excepted from disclosure under sections 552.103 and 552.107 of the Government Code. We have considered the exceptions you claim and reviewed the submitted information.

Section 552.103 of the Government Code provides, in part, the following:

(a) Information is excepted from [required public disclosure] if it is information relating to litigation of a civil or criminal nature to which the state or a political subdivision is or may be a party or to which an officer or employee of the state or a political subdivision, as a consequence of the person's office or employment, is or may be a party.

<sup>1</sup> You state the district sent the requestor a cost estimate of charges pursuant to section 552.2615 of the Government Code, and the requestor accepted the cost estimate. *See* Gov't Code § 552.2615. The estimate of charges required the requestor to provide a deposit for payment of anticipated costs under section 552.263 of the Government Code. *See id.* § 552.263(a). You also inform us the district received the required payment on April 4, 2022. *See id.* § 552.263(e) (if governmental body requires deposit or bond for anticipated costs pursuant to section 552.263, request for information is considered to have been received on date governmental body receives bond or deposit).

...

(c) Information relating to litigation involving a governmental body or an officer or employee of a governmental body is excepted from disclosure under Subsection (a) only if the litigation is pending or reasonably anticipated on the date that the requestor applies to the officer for public information for access to or duplication of the information.

Gov't Code § 552.103(a), (c). A governmental body that claims an exception to disclosure under section 552.103 has the burden of providing relevant facts and documentation sufficient to establish the applicability of this exception to the information that it seeks to withhold. To meet this burden, the governmental body must demonstrate that (1) litigation was pending or reasonably anticipated on the date the governmental body received the request for information, and (2) the information at issue is related to the pending or anticipated litigation. *See Univ. of Tex. Law Sch. v. Tex. Legal Found.*, 958 S.W.2d 479, 481 (Tex. App.—Austin 1997, orig. proceeding); *Heard v. Houston Post Co.*, 684 S.W.2d 210, 212 (Tex. App.—Houston [1st Dist.] 1984, writ ref'd n.r.e.); Open Records Decision No. 551 at 4 (1990). The governmental body must meet both prongs of this test for information to be excepted from disclosure under section 552.103(a).

You inform us the district was a defendant in a lawsuit styled *Weston v. Round Rock Independent School District*, Cause No. 21-1561-C395, which was pending in the 395th Judicial District Court of Williamson County, Texas. Although you inform us an order was entered by said court that granted the district's plea to the jurisdiction and dismissed the lawsuit as to the district, you also state the deadline for appeal had not yet passed as of the date the district received the instant request. Based upon your representations and our review, we find the district was a party to pending litigation on the date it received the request. Furthermore, we find the submitted information is related to the litigation for the purposes of section 552.103. Therefore, the district may withhold the submitted information under section 552.103 of the Government Code.<sup>2</sup>

However, once the information has been obtained by all parties to the pending litigation, no section 552.103(a) interest exists with respect to that information. Open Records Decision No. 349 at 2 (1982). We also note the applicability of section 552.103(a) ends when the litigation has concluded. Attorney General Opinion MW-575 at 2 (1982); Open Records Decision Nos. 350 at 3 (1982), 349 at 2.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. For more information concerning those rights and responsibilities, please visit our website at <https://www.texasattorneygeneral.gov/open->

<sup>2</sup> As our ruling is dispositive, we need not address the remaining argument against disclosure of this information.
