Mr. John P. Beauchamp  
General Counsel  
Texas Commission on Law Enforcement

Dear Mr. Beauchamp:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 954042 (ORR# 04 08 2022).

The Texas Commission on Law Enforcement (the "commission") received a request for information pertaining to a named individual. The commission claims the submitted information is excepted from disclosure under section 552.101 of the Government Code. We have considered the claimed exception and reviewed the submitted information.

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. This section encompasses section 1701.454 of the Occupations Code, which governs the public availability of information submitted to the commission under subchapter J of chapter 1701 of the Occupations Code. Section 1701.454 provides as follows:

- (a) All information submitted to the commission under this subchapter is confidential and is not subject to disclosure under [the Act], unless the person resigned or was terminated due to substantiated incidents of excessive force or violations of the law other than traffic offenses.
- (b) Except as provided by this subchapter, a commission member or other person may not release information submitted under this subchapter.

Occ. Code § 1701.454. The commission informs us the submitted information was submitted to it pursuant to subchapter J of chapter 1701 of the Occupations Code. The information does not reflect the officer at issue was terminated due to substantiated incidents of excessive force or violations of the law other than traffic offenses. Therefore, the commission must withhold the submitted information under section 552.101 of the Government Code in conjunction with section 1701.454 of the Occupations Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
