

KEN PAXTON
ATTORNEY GENERAL OF TEXAS

June 29, 2022

Ms. Sarah Parker
Associate General Counsel
Texas Department of Transportation
125 East 11th Street
Austin, Texas 78701

OR2022-18840

Dear Ms. Parker:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 956668 (Ref. No. R013143-041122).

The Texas Department of Transportation (the "department") received a request for the contract, winning proposal, scoring and evaluation information, and list of companies who submitted proposals for a specified solicitation. The department states it will release some of the requested information. The department claims the submitted information is excepted from disclosure under sections 552.104 and 552.111 of the Government Code. We have considered the claimed exceptions and reviewed the submitted representative sample of information.¹

Section 552.111 of the Government Code excepts from disclosure "[a]n interagency or intraagency memorandum or letter that would not be available by law to a party in litigation with the agency[.]" Gov't Code § 552.111. This exception encompasses the deliberative process privilege. *See* Open Records Decision No. 615 at 2 (1993). The purpose of section 552.111 is to protect advice, opinion, and recommendation in the decisional process and to encourage open and frank discussion in the deliberative process. *See Austin v. City of San*

¹ We assume the representative sample of records submitted to this office is truly representative of the requested records as a whole. *See* Open Records Decision Nos. 499 (1988), 497 (1988). This open records letter does not reach, and therefore does not authorize the withholding of, any other requested records to the extent those records contain substantially different types of information than that submitted to this office.

Antonio, 630 S.W.2d 391, 394 (Tex. App.—San Antonio 1982, writ ref'd n.r.e.); Open Records Decision No. 538 at 1-2 (1990).

In Open Records Decision No. 615, this office re-examined the statutory predecessor to section 552.111 in light of the decision in *Texas Department of Public Safety v. Gilbreath*, 842 S.W.2d 408 (Tex. App.—Austin 1992, no writ). We determined section 552.111 excepts from disclosure only those internal communications that consist of advice, recommendations, opinions, and other material reflecting the policymaking processes of the governmental body. See ORD 615 at 5. A governmental body's policymaking functions do not encompass routine internal administrative or personnel matters, and disclosure of information about such matters will not inhibit free discussion of policy issues among agency personnel. *Id.*; see also *City of Garland v. Dallas Morning News*, 22 S.W.3d 351 (Tex. 2000) (section 552.111 not applicable to personnel-related communications that did not involve policymaking). A governmental body's policymaking functions do include administrative and personnel matters of broad scope that affect the governmental body's policy mission. See Open Records Decision No. 631 at 3 (1995).

Further, section 552.111 does not protect facts and written observations of facts and events that are severable from advice, opinions, and recommendations. *Arlington Indep. Sch. Dist. v. Tex. Attorney Gen.*, 37 S.W.3d 152 (Tex. App.—Austin 2001, no pet.); see ORD 615 at 5. But if factual information is so inextricably intertwined with material involving advice, opinion, or recommendation as to make severance of the factual data impractical, the factual information also may be withheld under section 552.111. See Open Records Decision No. 313 at 3 (1982).

The department explains information at issue, which consists of an evaluation and scoring sheet pertaining to the specified solicitation, consists of advice, recommendations, and opinions between and among department employees regarding the department's internal processes involving procurements. The department asserts release of the information at issue "would severely hamper the ability of [department] personnel to draft documents regarding agency policy and make recommendations because it would discourage frank and open discussions during preliminary planning." Based upon these representations and our review, we find the information at issue consists of advice, opinions, or recommendations on the policymaking matters of the department. Accordingly, the department may withhold the submitted information under section 552.111 of the Government Code.²

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. For more information concerning those rights and responsibilities, please visit our website at <https://www.texasattorneygeneral.gov/open->

² As our ruling is dispositive, we need not address the department's remaining argument against disclosure of the submitted information.
