Assistant County Attorney
Montgomery County

OR2022-19078

Dear Mr. Anderson:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 956888.

The Montgomery County Sheriff's Office (the "sheriff's office") received a request for information pertaining to a specified incident. The sheriff's office claims the submitted information is excepted from disclosure under section 552.108 of the Government Code. We have considered the claimed exception and reviewed the submitted information.

Section 550.065 applies only to a written report of an accident required under section 550.061, 550.062, or 601.004. *See* Transp. Code § 550.065(a)(1). Chapter 550 requires the creation of a written report when the accident resulted in injury to or the death of a person or damage to the property of any person to the apparent extent of \$1,000 or more. *Id.* §§ 550.061 (operator's accident report), .062 (officer's accident report). An accident report is privileged and for the confidential use of the Texas Department of Transportation or a local governmental agency of Texas that has use for the information for accident prevention purposes. *Id.* § 550.065(b). However, a governmental entity shall release an accident report in accordance with subsections (c) and (c-1). *Id.* § 550.065(c), (c-1). Section 550.065(c) provides a governmental entity shall release an accident report to a person or entity listed under this subsection. *Id.* § 550.065(c).

In this instance, the requestor is a person listed under section 550.065(c). Although the sheriff's office asserts section 552.108 to withhold the information, a statutory right of access prevails over the Act's general exceptions to public disclosure. *See, e.g.,* Open

Records Decision Nos. 613 at 4 (1993) (exceptions in Act cannot impinge on statutory right of access to information), 451 (1986) (specific statutory right of access provisions overcome general exception to disclosure under the Act). Because section 552.108 is a general exception under the Act, the requestor's statutory access under section 550.065(c) prevails and the sheriff's office may not withhold the information under section 552.108 of the Government Code. Thus, the sheriff's office must release the accident report to this requestor pursuant to section 550.065(c) of the Transportation Code.

Section 552.108(a)(1) of the Government Code excepts from disclosure “[i]nformation held by a law enforcement agency or prosecutor that deals with the detection, investigation, or prosecution of crime . . . if . . . release of the information would interfere with the detection, investigation, or prosecution of crime[.]” Gov’t Code § 552.108(a)(1). A governmental body claiming section 552.108(a)(1) must explain how and why the release of the requested information would interfere with law enforcement. *See id.* §§ 552.108(a)(1), .301(e)(1)(A); *see also Ex parte Pruitt*, 551 S.W.2d 706 (Tex. 1977). The sheriff's office states the remaining information relates to a pending prosecution. Generally, the release of information pertaining to an open case is presumed to interfere with the criminal investigation. *See Houston Chronicle Publ'g Co. v. City of Houston*, 531 S.W.2d 177 (Tex. Civ. App.—Houston [14th Dist.] 1975), *writ ref'd n.r.e. per curiam*, 536 S.W.2d 559 (Tex. 1976) (court delineates law enforcement interests that are present in active cases). We note, however, the information at issue includes a DIC-24 Statutory Warning and a DIC-25 Notice of Suspension. The Statutory Warning and Notice of Suspension have previously been provided to the arrestee. Because copies of these documents have previously been released to the arrestee, we find the sheriff's office has not shown how release of the documents will interfere with the detection, investigation, or prosecution of crime. *See* Gov’t Code § 552.108(a)(1). Because the remaining information at issue has not been previously released, we conclude release of this information would interfere with the detection, investigation, or prosecution of crime. Thus, we find section 552.108(a)(1) is applicable to the remaining information at issue.

However, we note section 552.108 does not except from disclosure basic information about an arrested person, an arrest, or a crime. *Id.* § 552.108(c). Basic information refers to the information held to be public in *Houston Chronicle*. *See* 531 S.W.2d at 186-88; Open Records Decision No. 127 (1976) (summarizing types of information considered to be basic information). Thus, with the exception of the DIC-24 Statutory Warning, DIC-25 Notice of Suspension, and basic information, the sheriff's office may withhold the remaining information under section 552.108(a)(1) of the Government Code.

In summary, the sheriff's office must release the accident report to this requestor pursuant to section 550.065(c) of the Transportation Code. With the exception of the DIC-24 Statutory Warning, DIC-25 Notice of Suspension, and basic information, which must also be released, the sheriff's office may withhold the remaining information under section 552.108(a)(1) of the Government Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
