

KEN PAXTON
ATTORNEY GENERAL OF TEXAS

July 1, 2022

Mr. M. Matthew Ribitzki
Deputy City Attorney
City of Burleson
141 West Renfro Street
Burleson, Texas 76028

OR2022-19151

Dear Mr. Ribitzki:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 957419 (Reference No. R005849).

The City of Burleson (the "city") received a request for a specified contract, including any maintenance contract documents. The city states it has released some responsive information. Although the city takes no position regarding whether the submitted information is excepted from disclosure under the Act, the city informs us its release may implicate the proprietary interests of SunGard Public Sector, Inc. ("SunGard"). Accordingly, the city states, and provides documentation showing, it notified SunGard of the request for information and of its right to submit arguments to this office. *See* Gov't Code § 552.305(d); *see also* Open Records Decision No. 542 (1990) (statutory predecessor to section 552.305 permits governmental body to rely on interested third party to raise and explain applicability of exception in the Act in certain circumstances). We have reviewed the submitted information.

We note an interested third party is allowed ten business days after the date of its receipt of the governmental body's notice under section 552.305(d) of the Government Code to submit its reasons, if any, as to why information relating to that party should be withheld from public disclosure. *See* Gov't Code § 552.305(d)(2)(B). As of the date of this letter, we have not received comments from SunGard explaining why the information at issue should not be released. Thus, we have no basis to conclude SunGard has a protected proprietary interest in the submitted information. *See, e.g., id.* § 552.110 (requiring the

provision of specific factual evidence demonstrating the applicability of the exception). Therefore, the city may not withhold the submitted information on the basis of any proprietary interest SunGard may have in the information. Accordingly, the city must release the submitted information.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. For more information concerning those rights and responsibilities, please visit our website at <https://www.texasattorneygeneral.gov/open-government/members-public/what-expect-after-ruling-issued> or call the OAG's Open Government Hotline, toll free, at (877) 673-6839. Questions concerning the allowable charges for providing public information under the Public Information Act may be directed to the Cost Rules Administrator of the OAG, toll free, at (888) 672-6787.

Sincerely,

James M. Graham
