Dear Ms. Hale:

The Office of the Attorney General has received your request for a ruling and assigned your request ID# 957399.

After reviewing your arguments and the submitted information, we have determined your request does not present a novel or complex issue. Thus, we are addressing your claims in a memorandum opinion. You claim the submitted information must be withheld from the requestor.<sup>1</sup> Upon review of your arguments and the submitted information, we conclude you must withhold the submitted information pursuant to section 552.101 of the Government Code in conjunction with section 261.201 of the Family Code.<sup>2</sup>

<sup>1</sup> We have also received and considered comments from the requestor. *See* Gov't Code § 552.304 (interested party may submit comments stating why information should or should not be released). We note, because section 552.101 of the Government Code can provide a compelling reason to overcome the presumption of openness, we need not address the requestor's claim that you did not comply with section 552.301 of the Government Code in requesting a ruling from this office and we will address the applicability of section 552.101 to the submitted information. *See id.* §§ 552.301(b), .007, .302, .352.

<sup>2</sup> As our ruling is dispositive, we need not consider your remaining arguments against disclosure nor the applicability of section 1701.661 of the Occupations Code to the submitted body worn camera recordings. *See generally* Occ. Code § 1701.661(a), (e).
