Ms. Cynthis Trevino
Counsel for the City of Schertz
Denton Navarro Rocha Bernal & Zech, P.C.
2517 North Main Avenue
San Antonio, Texas 78212-4685

OR2022-19190

Dear Ms. Trevino:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 955899 (PIA 22-086).

The City of Schertz (the "city"), which you represent, received a request for information pertaining to a specified property during a specified time period.¹ You claim the submitted information is excepted from disclosure under sections 552.101 and 552.111 of the Government Code. We have considered the exceptions you claim and reviewed the submitted information.

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. This section encompasses information protected by other statutes. Sections 418.176 through 418.182 were added to chapter 418 of the Government Code as part of the Texas Homeland Security Act ("HSA"). You claim the submitted information is excepted from disclosure under section 418.181 of the Government Code. Section 418.181 provides "[t]hose documents or portions of documents in the possession

¹ We note the city asked for and received clarifications regarding this request. *See* Gov't Code § 552.222(b) (governmental body may communicate with requestor for purpose of clarifying or narrowing request for information); *City of Dallas v. Abbott*, 304 S.W.3d 380, 387 (Tex. 2010) (holding that when a governmental entity, acting in good faith, requests clarification or narrowing of an unclear or over-broad request for public information, the ten-day period to request an attorney general ruling is measured from the date the request is clarified or narrowed).

of a governmental entity are confidential if they identify the technical details of particular vulnerabilities of critical infrastructure to an act of terrorism.” *Id.* § 418.181; *see also id.* § 421.001 (defining critical infrastructure to include “all public or private assets, systems, and functions vital to the security, governance, public health and safety, and functions vital to the state or the nation”). The fact that information may relate to a governmental body’s security concerns or emergency management activities does not make the information *per se* confidential under the HSA. *See* Open Records Decision No. 649 at 3 (1996) (language of confidentiality provision controls scope of its protection). Furthermore, the mere recitation by a governmental body of a statute’s key terms is not sufficient to demonstrate the applicability of a claimed provision. As with any exception to disclosure, a governmental body asserting one of the confidentiality provisions of the HSA must adequately explain how the responsive records fall within the scope of the claimed provision. *See* Gov’t Code § 552.301(e)(1)(A) (governmental body must explain how claimed exception to disclosure applies).

You assert, and we agree, the city’s water system is critical infrastructure. *See id.* § 421.001(2). You explain release of the submitted information would reveal technical details of the city’s water system and “leav[e] it susceptible to contamination or disruption.” Thus, you claim disclosure of the submitted information would leave the city vulnerable to an act of terrorism. Based on these representations and our review, we agree the information we have marked identifies the technical details of particular vulnerabilities of critical infrastructure to an act of terrorism. Accordingly, the city must withhold the information we have marked under section 552.101 of the Government Code in conjunction with section 418.181 of the Government Code. However, upon review, we find you have failed to demonstrate the remaining information at issue identifies the technical details of particular vulnerabilities of critical infrastructure to an act of terrorism. Therefore, the city may not withhold any portion of the remaining information under section 552.101 in conjunction with section 418.181.

Section 552.111 of the Government Code excepts from disclosure “[a]n interagency or intraagency memorandum or letter that would not be available by law to a party in litigation with the agency[.]” *Id.* § 552.111. This exception encompasses the deliberative process privilege. *See* Open Records Decision No. 615 at 2 (1993). The purpose of section 552.111 is to protect advice, opinion, and recommendation in the decisional process and to encourage open and frank discussion in the deliberative process. *See Austin v. City of San Antonio*, 630 S.W.2d 391, 394 (Tex. App.—San Antonio 1982, writ ref’d n.r.e.); Open Records Decision No. 538 at 1-2 (1990).

In Open Records Decision No. 615, this office re-examined the statutory predecessor to section 552.111 in light of the decision in *Texas Department of Public Safety v. Gilbreath*, 842 S.W.2d 408 (Tex. App.—Austin 1992, no writ). We determined section 552.111 excepts from disclosure only those internal communications that consist of advice, recommendations, opinions, and other material reflecting the policymaking processes of the governmental body. *See* ORD 615 at 5. A governmental body’s policymaking functions do not encompass routine internal administrative or personnel matters, and

disclosure of information about such matters will not inhibit free discussion of policy issues among agency personnel. *Id.*; *see also City of Garland v. Dallas Morning News*, 22 S.W.3d 351, 364 (Tex. 2000) (section 552.111 not applicable to personnel-related communications that did not involve policymaking). A governmental body's policymaking functions do include administrative and personnel matters of broad scope that affect the governmental body's policy mission. *See* Open Records Decision No. 631 at 3 (1995).

Further, section 552.111 does not protect facts and written observations of facts and events severable from advice, opinions, and recommendations. *See Arlington Indep. Sch. Dist. v. Tex. Attorney Gen.*, 37 S.W.3d 152 (Tex. App.—Austin 2001, no pet.); *see* ORD 615 at 5. But if factual information is so inextricably intertwined with material involving advice, opinion, or recommendation as to make severance of the factual data impractical, the factual information also may be withheld under section 552.111. *See* Open Records Decision No. 313 at 3 (1982).

This office has also concluded a preliminary draft of a document intended for public release in its final form necessarily represents the drafter's advice, opinion, and recommendation with regard to the form and content of the final document, so as to be excepted from disclosure under section 552.111. *See* Open Records Decision No. 559 at 2 (1990) (applying statutory predecessor). Section 552.111 protects factual information in the draft that also will be included in the final version of the document. *See id.* at 2-3. Thus, section 552.111 encompasses the entire contents, including comments, underlining, deletions, and proofreading marks, of a preliminary draft of a policymaking document that will be released to the public in its final form. *See id.* at 2.

You claim section 552.111 for the remaining information. Upon review, however, we find the remaining information is general administrative and purely factual information or does not pertain to policymaking. Thus, we find you have failed to establish that any portion of the remaining information at issue constitutes advice, opinions, recommendations, or other material reflecting the policymaking processes of the city. Accordingly, the city may not withhold any of the information at issue under section 552.111 of the Government Code.

In summary, the city must withhold the information we have marked under section 552.101 of the Government Code in conjunction with section 418.181 of the Government Code. The city must release the remaining information.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
