

KEN PAXTON
ATTORNEY GENERAL OF TEXAS

July 7, 2022

Mr. Adam Anderson
Assistant County Attorney
Montgomery County
501 North Thompson, Suite 300
Conroe, Texas 77301

OR2022-19479

Dear Mr. Anderson:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 958383 (ORR# 22PIA202).

The Montgomery County Sheriff's Office (the "sheriff's office") received three requests for the same requestor for information pertaining to two named individuals. The sheriff's office claims the submitted information is excepted from disclosure under section 552.101 of the Government Code. We have considered the claimed exception and reviewed the submitted information.

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. This section encompasses the doctrine of common-law privacy, which protects information that is (1) highly intimate or embarrassing, the publication of which would be highly objectionable to a reasonable person, and (2) not of legitimate concern to the public. *Indus. Found. v. Tex. Indus. Accident Bd.*, 540 S.W.2d 668, 685 (Tex. 1976). To demonstrate the applicability of common-law privacy, both prongs of this test must be satisfied. *Id.* at 681-82. Types of information considered intimate and embarrassing by the Texas Supreme Court are delineated in the *Industrial Foundation* decision. *Id.* at 683. Generally, only highly intimate information that implicates the privacy of an individual is withheld. However, in certain instances, where it is demonstrated the requestor knows the identity of the individual involved, as well as the nature of certain incidents, the entirety of the information must be withheld to protect the individual's privacy.

The sheriff's office argues the submitted information must be withheld in its entirety on the basis of common-law privacy. However, the sheriff's office has not demonstrated, nor does it otherwise appear, this is a situation in which the entirety of the submitted information must be withheld on that ground. Nevertheless, we find some of the submitted information satisfies the standard articulated by the Texas Supreme Court in the *Industrial Foundation* decision. Accordingly, the sheriff's office must withhold this information, which we have marked, under section 552.101 of the Government Code in conjunction with common-law privacy. However, the remaining information is not confidential under common-law privacy, and the sheriff's office may not withhold it under section 552.101 on that ground. Accordingly, the sheriff's office must release the remaining information.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. For more information concerning those rights and responsibilities, please visit our website at <https://www.texasattorneygeneral.gov/open-government/members-public/what-expect-after-ruling-issued> or call the OAG's Open Government Hotline, toll free, at (877) 673-6839.
