Mr. Kevin Christiansen
Staff Attorney
Katy Independent School District
PO Box 159
Katy, Texas 77492-0159

OR2022-19487

Dear Mr. Christiansen:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 957483 (ORR# 21861).

The Katy Independent School District (the "district") received a request for information pertaining to the requestor. The district claims the submitted information is excepted from disclosure under section 552.101 of the Government Code. We have considered the claimed exception and reviewed the submitted information.

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. This section encompasses section 21.355 of the Education Code. Section 21.355(a) provides "[a] document evaluating the performance of a teacher or administrator is confidential[.]" Educ. Code § 21.355(a). Additionally, the Third Court of Appeals has concluded a written reprimand constitutes an evaluation for purposes of section 21.355 as it "reflects the principal's judgment regarding [a teacher's] actions, gives corrective direction, and provides for further review." *Abbott v. N. E. Indep. Sch. Dist.*, 212 S.W.3d 364 (Tex. App.—Austin 2006, no pet.). This office has interpreted section 21.355 to apply to any document that evaluates, as that term is commonly understood, the performance of a teacher. *See* Open Records Decision No. 643 at 3 (1996). We also determined a "teacher" for purposes of section 21.355 means a person who (1) is required to and does in fact hold a teaching certificate under subchapter B of chapter 21 of the Education Code or a school district teaching permit under section 21.055 and (2) is engaged in the process of teaching, as that term is commonly defined, at the time of the evaluation. *See id.* at 4.

The district asserts the information at issue evaluates the performance of a teacher who holds the appropriate certificate for the purpose of section 21.355. Upon review, we find some of the submitted information is confidential under section 21.355. Therefore, the district must withhold this information, which we have marked, under section 552.101 of the Government Code in conjunction with section 21.355 of the Education Code. However, we find the district has not established the remaining information is confidential under section 21.355. Thus, the district may not withhold the remaining information under section 552.101 on that ground. Accordingly, the district must release the remaining information.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
