Ms. Tessa K. Meredith
Counsel for the City of Corinth
Messer Fort McDonald PLLC

Frisco, Texas 75034

OR2022-19611

Dear Ms. Meredith:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 956537 (ORR# C041922SH).

The City of Corinth (the "city"), which you represent, received a request for information pertaining to a specified incident. The city claims the submitted information is excepted from disclosure under section 552.101 of the Government Code. We have considered the claimed exception and reviewed the submitted information.

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. Section 552.101 encompasses section 58.008 of the Family Code, which provides, in part, the following:

(b) Except as provided by Subsection (c), law enforcement records concerning a child and information concerning a child that are stored by electronic means or otherwise and from which a record could be generated may not be disclosed to the public and shall be:

(1) if maintained on paper or microfilm, kept separate from adult records;

(2) if maintained electronically in the same computer system as adult records, accessible only under controls that are separate and distinct from the controls to access electronic data concerning adults; and

(3) maintained on a local basis only and not sent to a central state or federal depository, except as provided by Subsection (c) or Subchapter B, D, or E.

...

(d) Law enforcement records concerning a child may be inspected or copied by:

...

(4) the child's parent or guardian.

(e) Before a child or a child's parent or guardian may inspect or copy a record concerning the child under Subsection (d), the custodian of the record shall redact:

(1) any personally identifiable information about a juvenile suspect, offender, victim, or witness who is not the child[.]

Fam. Code § 58.008(b), (d)(4), (e)(1); *see also id.* § 51.03(a)-(b) (defining “delinquent conduct” and “conduct indicating a need for supervision” for purposes of title 3 of Family Code). Section 58.008(b) is applicable to records of juvenile conduct that occurred before, on, or after September 1, 2017. The juvenile must have been at least 10 years old and less than 17 years of age when the conduct occurred. *See id.* § 51.02(2) (defining “child” for purposes of title 3 of Family Code). We find the submitted information involves juvenile offenders, so as to fall within the scope of section 58.008(b). However, the requestor is a parent of one of the juvenile offenders at issue and has access to the information pursuant to section 58.008(d). *See id.* § 58.008(d). Therefore, the city may not withhold the submitted information from the requestor under section 552.101 on the basis of section 58.008(b). *See id.* § 58.008(d). Nevertheless, the city must withhold the personally identifiable information concerning the other juvenile offender under section 552.101 of the Government Code in conjunction with section 58.008(e)(1) of the Family Code. *Id.* § 58.008(e)(1). The city must release the remaining information.¹

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. For more information concerning those rights and responsibilities, please visit our website at <https://www.texasattorneygeneral.gov/open-government/members-public/what-expect-after-ruling-issued> or call the OAG's Open

¹ Because the requestor has a special right of access to the information being released, the city must again seek a decision from this office if it receives a request for the same information from another requestor.
