ATTORNEY GENERAL OF TEXAS

Mr. Robert G. Schleier, Jr.  
Attorney for the City of Kilgore  
Law Office of Robert G. Schleier, Jr., PC  
116 North Kilgore Street  
Kilgore, Texas 75662

OR2022-19729

Dear Mr. Schleier:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 957557.

The Kilgore Police Department (the "department"), which you represent, received a request for information pertaining to a specified incident. You state you will release some information to the requestor. You claim some of the submitted information is excepted from disclosure under sections 552.101 and 552.130 of the Government Code. We have considered the exceptions you claim and reviewed the submitted information.

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. This section encompasses information made confidential by other statutes. The submitted information consists of a recording from a department officer's body worn camera. Body worn cameras are subject to chapter 1701 of the Occupations Code. Section 1701.661(a) of the Occupations Code states the information a requestor must provide when seeking a body worn camera recording. *See* Occ. Code § 1701.661(a). We note the requestor provides the requisite information for the body worn camera recording at issue. However, section 1701.661(f) provides, in relevant part:

A law enforcement agency may not release any portion . . . of a recording involving the investigation of conduct that constitutes a misdemeanor punishable by fine only and does not result in arrest, without written

authorization from the person who is the subject of that portion of the recording or, if the person is deceased, from the person's authorized representative.

*Id.* § 1701.661(f). You state the submitted recording pertains to the investigation of conduct that constitutes a misdemeanor punishable by fine only and which did not result in an arrest. You also state you have not received a written authorization for release from all of the subjects of the recording. *See id.* Accordingly, we find the department must withhold the submitted body worn camera recording under section 552.101 of the Government Code in conjunction with section 1701.661(f) of the Occupations Code.

Section 552.101 of the Government Code also encompasses chapter 772 of the Health and Safety Code, which authorizes the development of local emergency communication districts. Section 772.318 of the Health and Safety Code applies to an emergency communication district for a county with a population of more than 20,000 and makes confidential the originating telephone numbers and addresses of 9-1-1 callers that are furnished by a 9-1-1 service supplier. *See* Open Records Decision No. 649 (1996). You indicate the department is part of an emergency communication district that is subject to section 772.318 of the Health and Safety Code. Upon review, the department must withhold the information you have marked under section 552.101 of the Government Code in conjunction with section 772.318 of the Health and Safety Code if it consists of the originating telephone number furnished by a 9-1-1 service supplier. However, if the marked information does not consist of the originating telephone number provided by a 9-1-1 service supplier, it may not be withheld under section 552.101 in conjunction with section 772.318.

Section 552.130 of the Government Code provides information relating to a motor vehicle operator's license, driver's license, motor vehicle title or registration, or personal identification document issued by an agency of this state or another state or country is excepted from public release. *See* Gov't Code § 552.130. Accordingly, the department must withhold the motor vehicle record information you have marked under section 552.130 of the Government Code.

In summary, the department must withhold the submitted body worn camera recording under section 552.101 of the Government Code in conjunction with section 1701.661(f) of the Occupations Code. The department must withhold the information you have marked under section 552.101 of the Government Code in conjunction with section 772.318 of the Health and Safety Code if it consists of the originating telephone number furnished by a 9-1-1 service supplier. The department must withhold the motor vehicle record information you have marked under section 552.130 of the Government Code. The department must release the remaining information.
