

KEN PAXTON
ATTORNEY GENERAL OF TEXAS

July 11, 2022

Ms. Sarah Parker
Associate General Counsel
Texas Department of Transportation
125 East 11th Street
Austin, Texas 78701-2483

OR2022-19903

Dear Ms. Parker:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 955310 (Ref. No. R012712-032822).

The Texas Department of Transportation (the "department") received a request for two categories of information regarding the adjustment of the speed limits pertaining to certain portions of a specified highway. You claim the submitted information is excepted from disclosure under section 552.111 of the Government Code and privileged under section 407 of title 23 of the United States Code.¹ We have considered your arguments and reviewed the submitted representative sample of information.²

Initially, we must address the department's obligations under section 552.301 of the Government Code, which prescribes the procedures a governmental body must follow in asking this office to decide whether requested information is excepted from public disclosure. *See* Gov't Code § 552.301. Pursuant to section 552.301(b), a governmental body must ask for a decision from this office and state the exceptions that apply within ten

¹ We note in a letter dated June 15, 2022, we asked the department to provide additional information pursuant to section 552.303 of the Government Code. *See* Gov't Code § 552.303(c)-(d) (if attorney general determines that information in addition to that required by section 552.301 is necessary to render decision, written notice of that fact shall be given to governmental body and requestor, and governmental body shall submit necessary additional information to attorney general not later than seventh calendar day after date of receipt of notice). You have informed us the department would not submit additional comments.

² We assume the "representative sample" of records submitted to this office is truly representative of the requested records as a whole. *See* Open Records Decision Nos. 499 (1988), 497 (1988). This open records letter does not reach, and therefore does not authorize the withholding of, any other requested records to the extent those records contain substantially different types of information than that submitted to this office.

business days of receiving the written request. *See id.* § 552.301(b). The department received the present request for information on March 28, 2022. We understand the department operated with a skeleton crew on March 31, 2022, in observance of Cesar Chavez Day. This office does not count the date the request was received or holidays, including skeleton crew days observed by a governmental body, for purposes of calculating a governmental body's deadlines under the Act. Accordingly, the department was required to provide the information required by section 552.301(b) by April 12, 2022. However, the information required by section 552.301(b) was submitted via interagency mail on April 13, 2022. *See id.* § 552.308(a)(1) (describing rules for calculating submission dates of documents sent via first class United States mail, common or contract carrier, or interagency mail). Consequently, we conclude the department failed to comply with the procedural requirements mandated by section 552.301 of the Government Code.

Pursuant to section 552.302 of the Government Code, a governmental body's failure to comply with the procedural requirements of section 552.301 results in the legal presumption that the requested information is public and must be released unless there is a compelling reason to withhold the information from disclosure. *See id.* § 552.302; *Simmons v. Kuzmich*, 166 S.W.3d 342 (Tex. App.—Fort Worth 2005, no pet.); *Hancock v. State Bd. of Ins.*, 797 S.W.2d 379, 381-82 (Tex. App.—Austin 1990, no writ). We find you have failed to establish a compelling reason to address your arguments against disclosure of the submitted information. However, because section 552.117 of the Government Code can provide a compelling reason to overcome the presumption of openness, we will address the applicability of this section to the information at issue.³

Section 552.117(a)(1) of the Government Code excepts from disclosure the home address and telephone number, emergency contact information, social security number, and family member information of a current or former employee or official of a governmental body who requests this information be kept confidential under section 552.024 of the Government Code. *See Gov't Code* § 552.117(a)(1). We note section 552.117 is applicable to personal cellular telephone numbers, provided the cellular telephone service is not paid for by a governmental body. *See Open Records Decision No. 506 at 5-6 (1988)* (section 552.117 not applicable to cellular telephone numbers paid for by governmental body and intended for official use). Whether a particular item of information is protected by section 552.117(a)(1) must be determined at the time of the governmental body's receipt of the request for the information. *See Open Records Decision No. 530 at 5 (1989)*. Thus, information may be withheld under section 552.117(a)(1) only on behalf of a current or former employee or official who made a request for confidentiality under section 552.024 prior to the date of the governmental body's receipt of the request for the information. Information may not be withheld under section 552.117(a)(1) on behalf of a current or former employee or official who did not timely request under section 552.024 the information be kept confidential. Accordingly, if the individual whose information is at issue timely requested confidentiality under section 552.024 of the Government Code and a governmental body does not pay for the cellular telephone service, then the department

³ The Office of the Attorney General will raise a mandatory exception on behalf of a governmental body, but ordinarily will not raise other exceptions. *See Open Records Decision Nos. 481 (1987), 480 (1987), 470 (1987)*.

must withhold the cellular telephone number we have marked under section 552.117(a)(1) of the Government Code. The department must release the remaining information.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
