Dear Ms. Risner:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 957147 (ORR# 2022.04 – 0036).

The Harris County District Attorney's Office (the "district attorney's office") received a request for information pertaining to a specified incident. You claim the submitted information is excepted from disclosure under section 552.108 of the Government Code. We have considered the exception you claim and reviewed the submitted representative sample of information.<sup>1</sup>

You inform us the requested information was the subject of a previous request for information, in response to which this office issued Open Records Letter No. 2022-12885 (2022). As we have no indication the law, facts, and circumstances on which the prior ruling was based have changed, the district attorney's office may continue to rely on Open Records Letter No. 2022-12885 as a previous determination and withhold or release the requested information in accordance with that ruling. *See* Open Records Decision No. 673 (2001) (so long as law, facts, and

<sup>1</sup> We assume the "representative sample" of records submitted to this office is truly representative of the requested records as a whole. *See* Open Records Decision Nos. 499 (1988), 497 (1988). This open records letter does not reach, and therefore does not authorize the withholding of, any other requested records to the extent that those records contain substantially different types of information than that submitted to this office.

circumstances on which prior ruling was based have not changed, first type of previous determination exists where requested information is precisely same information as was addressed in prior attorney general ruling, ruling is addressed to same governmental body, and ruling concludes that information is or is not excepted from disclosure). As our ruling is dispositive, we need not address your arguments against disclosure.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
