ATTORNEY GENERAL OF TEXAS

Ms. Holly Voth
Assistant City Attorney
City of San Angelo

San Angelo, Texas 76903

OR2022-20183

Dear Ms. Voth:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 959098 (City File No. P003855-041922).

The San Angelo Police Department (the "department") received a request for information pertaining to specified incidents involving named individuals.¹ You state you do not have information responsive to a portion of the request.² You state you have released some information. You claim the submitted information is excepted from disclosure under section 552.101 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Initially, we note the submitted information consists of police officers' body worn camera recordings. Body worn cameras are subject to chapter 1701 of the Occupations Code.

¹ The department provides documentation showing it sought and received clarification of the information requested. *See* Gov't Code § 552.222 (providing if request for information is unclear, governmental body may ask requestor to clarify request); *see also City of Dallas v. Abbott*, 304 S.W.3d 380, 387 (Tex. 2010) (holding that when a governmental entity, acting in good faith, requests clarification or narrowing of an unclear or overbroad request for information, the ten-day period to request an attorney general ruling is measured from the date the request is clarified or narrowed).

² The Act does not require a governmental body that receives a request for information to create information that did not exist when the request was received. *See Econ. Opportunities Dev. Corp. v. Bustamante*, 562 S.W.2d 266 (Tex. Civ. App.—San Antonio 1978, writ dismissed); Open Records Decision Nos. 605 at 2 (1992), 563 at 8 (1990), 555 at 1-2 (1990), 452 at 3 (1986), 362 at 2 (1983).

Chapter 1701 provides the procedures a requestor must follow when seeking a body worn camera recording. Section 1701.661 provides, in relevant part, as follows:

(a) A member of the public is required to provide the following information when submitting a written request to a law enforcement agency for information recorded by a body worn camera:

- (1) the date and approximate time of the recording;
- (2) the specific location where the recording occurred; and
- (3) the name of one or more persons known to be a subject of the recording.

Occ. Code § 1701.661(a). In this instance, we are unable to determine whether the requestor provided the requisite information under section 1701.661(a). Thus, we must rule conditionally. To the extent the requestor did not give the requisite information under section 1701.661(a), the requestor did not properly request the body worn camera recordings at issue pursuant to chapter 1701 of the Occupations Code. In that instance, our ruling does not reach this information and it need not be released.³ However, pursuant to section 1701.661(b), a “failure to provide all the information required by Subsection (a) to be part of a request for recorded information does not preclude the requestor from making a future request for the same recorded information.” *Id.* § 1701.661(b). To the extent the requestor did provide the requisite information under section 1701.661(a), we will consider your arguments against disclosure of this information.

Section 552.101 of the Government Code excepts from disclosure “information considered to be confidential by law, either constitutional, statutory, or by judicial decision.” Gov’t Code § 552.101. Section 552.101 encompasses section 1701.661(f) of the Occupations Code, which provides, in relevant part, as follows:

A law enforcement agency may not release any portion . . . of a recording involving the investigation of conduct that constitutes a misdemeanor punishable by fine only and does not result in arrest, without written authorization from the person who is the subject of that portion of the recording or, if the person is deceased, from the person’s authorized representative.

Id. § 1701.661(f). You state the submitted recordings pertain to the investigation of conduct that constitutes a misdemeanor punishable by fine only and which did not result in an arrest. You further state the department has not received a written authorization for release from all of the subjects of the recording. *See id.* Accordingly, the submitted body worn camera recordings are confidential and the department must withhold them in their entirety under section 552.101 of the Government Code in conjunction with section 1701.661(f) of the Occupations Code.

³ As we are able to make this determination, we need not address the submitted arguments against disclosure.

In summary, to the extent the requestor did not give the requisite information under section 1701.661(a) of the Occupations Code, the submitted body worn camera recordings at issue were not properly requested pursuant to chapter 1701 of the Occupations Code and the department need not release them in response to the request for information. To the extent the submitted body worn camera recordings were properly requested pursuant to chapter 1701 of the Occupations Code, the department must withhold them in their entirety under section 552.101 of the Government Code in conjunction with section 1701.661(f) of the Occupations Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
