ATTORNEY GENERAL OF TEXAS

July 19, 2022

Ms. Jessika Williams  
Assistant City Attorney  
City of Fort Worth  
200 Texas Street, Third Floor  
Fort Worth, Texas 76102

OR2022-20939

Dear Ms. Williams:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 960780 (PIA No. E002785-042722).

The City of Fort Worth (the "city") received a request for information pertaining to two named individuals during a specified time period. You claim the submitted information is excepted from disclosure under sections 552.101 and 552.108 of the Government Code. We have considered the exceptions you claim and reviewed the submitted information.

Initially, we note the requestor is a representative of the Texas Department of Family and Protective Services (the "DFPS") and understand she claims she has a right of access to the information at issue pursuant to section 261.105 of the Family Code. Section 261.105 provides, in relevant part:

(a) All reports received by a local or state law enforcement agency that allege abuse or neglect by a person responsible for a child's care, custody, or welfare shall be referred immediately to the [DFPS].

(b) The [DFPS] shall immediately notify the appropriate state or local law enforcement agency of any report it receives, other than a report from a law enforcement agency, that concerns the suspected abuse or neglect of a child or death of a child from abuse or neglect.

Fam. Code § 261.105(a), (b). However, we find the submitted information does not involve child abuse or neglect by an individual relating to a child to whom they are responsible for the care, custody, or welfare. Accordingly, we find the requestor has failed to demonstrate she has a right of access to the submitted information under section 261.105 of the Family Code.

Section 552.101 of the Government Code exempts from disclosure “information considered to be confidential by law, either constitutional, statutory, or by judicial decision.” Gov’t Code § 552.101. Section 552.101 of the Government Code encompasses section 58.008 of the Family Code, which provides, in part, as follows:

(b) Except as provided by Subsection (c), law enforcement records concerning a child and information concerning a child that are stored by electronic means or otherwise and from which a record could be generated may not be disclosed to the public and shall be:

(1) if maintained on paper or microfilm, kept separate from adult records;

(2) if maintained electronically in the same computer system as adult records, accessible only under controls that are separate and distinct from the controls to access electronic data concerning adults; and

(3) maintained on a local basis only and not sent to a central state or federal depository, except as provided by Subsection (c) or Subchapter B, D, or E.

Fam. Code § 58.008(b); *see also id.* § 51.03(a)-(b) (defining “delinquent conduct” and “conduct indicating a need for supervision” for purposes of title 3 of Family Code). Section 58.008(b) is applicable to records of juvenile conduct that occurred before, on, or after September 1, 2017. *See* Act of May 28, 2017, 85th Leg., R.S., ch. 746, § 22. The juvenile must have been at least 10 years old and less than 17 years of age when the conduct occurred. *See* Fam. Code § 51.02(2) (defining “child” for purposes of title 3 of Family Code). The submitted information involves juvenile offenders, so as to fall within the scope of section 58.008(b). It does not appear any of the exceptions in section 58.008 apply. Accordingly, the city must withhold the submitted information under section 552.101 of the Government Code in conjunction with section 58.008(b) of the Family Code.<sup>1</sup>

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

---

<sup>1</sup> As our ruling is dispositive, we need not address your remaining argument against disclosure of this information. In addition, we note the requestor is not seeking information about the individuals named as juvenile suspects or offenders in the reports, so as to implicate the access provided in section 58.008(d) of the Family Code. *See* Fam. Code § 58.008(d) (providing “[l]aw enforcement records and files concerning a child may be inspected or copied by ... a criminal justice agency as that term is defined by Section 411.082, Government Code[.]”).

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
