Mr. Mark Sossi
Counsel for the City of Harlingen
Troiani & Sossi, P.L.L.C.

OR2022-21620

Dear Mr. Sossi:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 959697.

The City of Harlingen (the "city"), which you represent, received a request for information pertaining to a specified incident.¹ You claim the requested information is excepted from disclosure under section 552.103 of the Government Code. We have considered the exception you claim.

We must address the city's procedural obligations under section 552.301 of the Government Code when requesting a decision from this office under the Act. Pursuant to section 552.301(e), a governmental body must submit to this office within fifteen business days of receiving an open records request (1) written comments stating the reasons why the stated exceptions apply that would allow the information to be withheld, (2) a copy of the written request for information, (3) a signed statement or sufficient evidence showing the date the governmental body received the written request, and (4) a copy of the specific information requested or representative samples, labeled to indicate which exceptions apply to which parts of the documents. *See* Gov't Code § 552.301(e). The city received the request for information on April 28, 2022. However, as of the date of this letter, the city has not submitted for our review a copy of the written request for information, written comments stating the reasons why the stated exceptions apply, or a copy or representative sample of the information requested. Consequently, we find the city failed to comply with section 552.301 of the Government Code.

¹ As the city has not submitted a copy of the request for information, we take our description from its brief.

Pursuant to section 552.302 of the Government Code, a governmental body's failure to comply with the procedural requirements of section 552.301 results in the legal presumption that the requested information is public and must be released unless there is a compelling reason to withhold the information from disclosure. *See id.* § 552.302; *Simmons v. Kuzmich*, 166 S.W.3d 342, 350 (Tex. App.—Fort Worth 2005, no pet.); *Hancock v. State Bd. of Ins.*, 797 S.W.2d 379, 381 (Tex. App.—Austin 1990, no writ). Although the city raises exceptions to disclosure, because you have not submitted the requested information for our review, we have no basis for finding any of the information excepted from disclosure. Thus, we have no choice but to order the requested information released pursuant to section 552.302.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
