Ms. Danielle A. Boazeman-Schick  
Assistant City Attorney  
City of San Antonio  
P.O. Box 839966

OR2022-21675

Dear Ms. Boazeman-schick:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 961766 (COSA File No. W444808-050322).

The City of San Antonio (the "city") received a request for information pertaining to a specified request for proposals. You claim the submitted information is excepted from disclosure under section 552.104 of the Government Code. Additionally, you state the release of the information may implicate the proprietary interests of Austin Bridge & Road, LP, Capital Excavation Company, E-Z Bel Construction, LLC, and Harper Brothers Construction, LLC. Accordingly, you state, and provide documentation showing, you notified these third parties of the request and their rights to submit arguments to this office. *See* Gov't Code §552.305(d); *see also* Open Records Decision No. 542 (1990) (statutory predecessor to section 552.305 permits governmental body to rely on interest third party to raise and explain applicability of exception in the Act in certain circumstances). We have considered the exception you claim and reviewed the submitted information.

Section 552.104(a) of the Government Code excepts from disclosure information that a governmental body demonstrates, if released, would "harm its interests by providing an advantage to a competitor or bidder in a particular ongoing competitive situation or in a particular competitive situation where the governmental body establishes the situation at issue is set to reoccur or there is a specific and demonstrable intent to enter into the competitive situation again in the future." Gov't Code § 552.104(a). The "test under section 552.104 is whether knowing another bidder's [or competitor's information] would be an advantage, not whether it would be a decisive advantage." *Boeing Co. v. Paxton*, 466 S.W.3d 831, 841 (Tex. 2015). After review of the information at issue and consideration of

the arguments, we find the city has established the release of the information at issue would harm its interests by providing an advantage to a competitor or bidder in a particular ongoing competitive situation. Thus, we conclude the city may withhold the submitted information under section 552.104(a) of the Government Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. For more information concerning those rights and responsibilities, please visit our website at <https://www.texasattorneygeneral.gov/open-government/members-public/what-expect-after-ruling-issued> or call the OAG's Open Government Hotline, toll free, at (877) 673-6839.
